Down a Country Lane Gary Blinco,2014-12-26 In the winter of 1948 a poorly educated jack of all trades moved his ever increasing family to a small vegetable crops farm on the Darling Downs in Queensland They arrived in a horse and wagon to begin an extraordinary life of hardship and challenge in the bush This book follows the harsh life of poverty that is eclipsed by the threads of dry humour love and warmth that embraces a large closely knit family The living conditions endured are almost primitive even for the nineteen fifties as they fight to carve an existence from the land His father s lingering fight with lung cancer compounds the pain of his own battle as a National Service Soldier in the Vietnam War The accounts of the war are graphic and poignant and could only emerge from one who has experienced the frightening reality of combat Highlighted through the suffering and dreams is a mother s undying devotion to her family as she struggles to raise them more or less on her own

Lisa's father has six months to live and a story to tell about a boy sent to Auschwitz a boy who lost everything and started again. It's a story he has kept hidden until now. But Lisa doesn't want to hear it because she has secrets too. No one at school knows she is Jewish or that her dad is sick, not even her boyfriend. But that's all about to change. And so is she. A powerful Holocaust story of love, loss, and hope. Jayne Joseph Melbourne Holocaust Museum *Lost Loves* Andrew Grof, 2015-12-15. In this first person account, a composer confronts cancer as well as an increasingly debilitating dementia that threatens to rob him of both his past and his present. In something of a last ditch effort, he does his best to resurrect nearly forgotten loves as well as the music of the greats that once sustained him. In the process, he finds the past no less difficult to deal with than his present and is forced to confront a most unflattering image of himself. The crisp yet lyrical writing is crisp yet lyrical and alternates between staccato and legato depending on the particular stages of the composer's illness. The Hamlet-like narrator is at once dangerously close and forbiddingly distant from the reader with a climax in death's full assault with hitherto hidden revelations.
