Perth **The Word Goes On 2nd Ed** Siegbert W Becker, James P. Becker, 2018-07-01 What makes a good sermon Arguments can be made for how it is delivered how dynamic the preacher is and how relatable the sermon is to the Christians in the pews but neither of those makes a sermon good Neither of those makes a sermon great What makes a good sermon is what it s all about God s Word More specifically a good sermon contains both law and gospel in a way that convicts and then comforts believers with the assurance that God forgives them and loves them all because of Jesus and what he s done for them The Word Goes On contains powerful sermons for every Sunday of the church year and many church festivals The themes encourage you to have a closer relationship with Jesus making it valuable for personal devotional reading Read The Word Goes On today to see the motivational and practical power of God s saving message for you This book contains important Bible concepts like law and gospel making it a valuable resource and inspirational reference book for pastors and theological writers **Come, Holy Spirit** Karl Barth, Eduard Thurneysen, 2010-02-01 These sermons were prepared from 1920 to 1924 Professor Barth preached some of them while he was minister of the Reformed congregation in Safenwil Canton Aargau Switzerland others in the Reformed Church in Goettingen while he was professor of theology in the University Pastor Thurneysen at that time preached to the congregation in Bruggen near St Gall Switzerland The sermons were written not for special occasions but for the regular Sunday morning service and were addressed to such men and women as one will find in any village or city church to men and women in the struggle for life waiting and seeking for God Pastor Thurneysen selected the sermons and arranged them according to a scheme that may be indicated by the words Promise Christ Christian Living from the Translator s Preface Comprehensive Religious Writings Michael Calpino, **Preparation for Natural Theology** Johann August Eberhard, 2016-01-28 Designed as a textbook for use in courses on natural theology and used by Immanuel Kant as the basis for his Lectures on The Philosophical Doctrine of Religion Johan August Eberhard s Preparation for Natural Theology 1781 is now available in English for the first time With a strong focus on the various intellectual debates and historically significant texts in late renaissance and early modern theology Preparation for Natural Theology influenced the way Kant thought about practical cognition as well as moral and religious concepts Access to Eberhard s complete text makes it possible to distinguish where in the lectures Kant is making changes to what Eberhard has written and where he is articulating his own ideas Identifying new unexplored lines of research this translation provides a deeper understanding of Kant s explicitly religious doctrines and his central moral writings such as the Groundwork of the Metaphysics of Morals and the Critique of Practical Reason Accompanied by Kant s previously untranslated handwritten notes on Eberhard s text as well as the Danzig transcripts of Kant s course on rational theology Preparation for Natural Theology features a dual English German German English glossary a concordance and an introduction situating the book in relation to 18th century theology and philosophy This is a significant contribution to twenty first century Kantian studies **Language Lost and Found** Niklas Forsberg, 2013-09-26 Language Lost and Found takes as its starting point Iris Murdoch s claim that we have suffered

a general loss of concepts By means of a thorough reading of Iris Murdoch s philosophy in the light of this difficulty it offers a detailed examination of the problem of linguistic community and the roots of the thought that some philosophical problems arise due to our having lost the sense of our own language But it is also a call for a radical reconsideration of how philosophy and literature relate to each other on a general level and in Murdoch s authorship in particular **Life-Study of Exodus**
