

The background of the entire image is a photograph of a vast, open landscape under a cloudy sky. In the foreground and middle ground, a group of about seven riders on horseback are scattered across a green, grassy field. They are wearing cowboy hats and riding dark-colored horses. In the distance, there are rolling hills and mountains. The overall tone is peaceful and evocative of a ranch life.

Sometimes Paradise:

The Wind's on the Horizon: Just Over the Edge Dale Stubbart, Another of my mystical poetry books in the series The Language of the Wind In this book we look at things from the horizon But the horizon is just another way of saying the edge Sometimes when looking at things from the edge it s the edge of getting happy or the edge of going crazy Sometimes you re pulled back from the brink just in time In this book there are White Water Journeys the Outer Wondrousness the Perihelion of Bliss Dreamscapes and Funnels Wisdom Cunning and Loneliness Rhythms on the Brink the Inner Marvel and Heart Tonic Then we get really close with Approaching the Edge perhaps a little too closely Instilling the Edge You can t get closer than this Of course that s only true until you do Then you re on the Far Edge of the Horizon I ve also included a couple of mystical short stories Miguelito The smallest sueno dream That Hole Inside You featuring your favorite striped mammal Skunk Mystics try to describe the indescribable with words They bring you in touch with the spiritual world Some mystical writing is hard to understand I d like to think that mine is easy And some of it is very humorous Of course what could be more spiritual than chocolate I ve included two poems on that Rating G Reading Level Very Easy 4th Grade Longest Word Tremendousness
