David, 2013-08-23 The stories in this book are wrapped around fiction The characters are like most Americans proud and willing to die for what they believe is the best country on earth In the book ELI the characters are put to the test The U S has been attacked with nuclear weapons and is on the brink of collapse Old enemies attack and try to take us down The world sits by and takes it all in Modern warfare sometimes takes a backseat to the way this new war is fought The way

men fight reverts back a hundred years      **Empty Spaces** Jordan Abel, 2024-02-06 A hypnotic and mystifying exploration of land and legacy investigating what it means to be an intergenerational Indigenous survivor of Residential Schools Jordan Abel's new work grows out of the groundbreaking visual expression in his recently published NISHGA a book that combined nonfiction with photography concrete poetry and literary inquiry Whereas NISHGA integrated descriptions of the landscape from James Fenimore Cooper's settler classic The Last of the Mohicans into visual pieces Empty Spaces reinscribes those words on the page itself and in doing so subjects them to bold rewritings Reimagining the nineteenth century text from the contemporary perspective of an urban Nisga a person whose relationship to land and traditional knowledge and spiritual traditions was severed by colonial violence Abel attempts to answer his research question of what it means to be Indigenous without access to familial territory Engaging the land through fiction and metaphor Abel creates an eerie looping and atmospheric rendering of place that evolves despite the violent and reckless histories of North America The result is a bold and profound new vision of history that decenters human perception and forgoes Westernized ways of seeing Rather than turning to characters and dialogue to explore truth Abel invites us to instead understand that the land knows everything that can and will happen even as the world lurches toward uncertainty      **Wrenched (Book 3)** Claire St. Rose, This is book 3
