Sons and Lovers (1913). By: D. H. Lawrence D. H. Lawrence,2017-02-21 Sons and Lovers is a 1913 novel by the English writer D H Lawrence originally published by B W Huebsch Publishers The Modern Library placed it ninth on their list of the 100 best novels of the 20th century While the novel initially received a lukewarm critical reception along with allegations of obscenity it is today regarded as a masterpiece by many critics and is often regarded as Lawrence s finest achievement The third published novel of D H Lawrence taken by many to be his earliest masterpiece tells the story of Paul Morel a young man and budding artist The original 1913 edition was heavily edited by Edward Garnett who removed 80 passages roughly a tenth of the text citation needed The novel is dedicated to Garnett Garnett as the literary advisor to the publishing firm Duckworth was an important figure in leading Lawrence further into the London literary world during the years 1911 and 1912 citation needed It was not until the 1992 Cambridge University Press edition was released that the missing text was restored Lawrence began working on the novel in the period of his mother s illness and often expresses this sense of his mother s wasted life through his female protagonist Gertrude Morel Letters written around the time of its development clearly demonstrate the admiration he felt for his mother viewing her as a clever ironical delicately moulded

woman and her apparently unfortunate marriage to his coal miner father a man of sanguine temperament and instability He believed that his mother had married below her class status Lydia Lawrence wasn't born into the middle class clarification needed This personal family conflict experienced by Lawrence provided him with the impetus for the first half of his novel in which both William the older brother and Paul Morel become increasingly contemptuous of their father and the subsequent exploration of Paul Morel's antagonising relationships with both his lovers which are both incessantly affected by his allegiance to his mother The first draft of Lawrence's novel is now lost and was never completed which seems to be directly due to his mother's illness He did not return to the novel for three months at which point it was titled Paul Morel The penultimate draft of the novel coincided with a remarkable change in Lawrence's life as his health was thrown into turmoil and he resigned his teaching job to spend time in Germany This plan was never followed however as he met and married the German minor aristocrat Frieda Weekley who was the wife of a former professor of his at the University of Nottingham According to Frieda's account of their first meeting she and Lawrence talked about Oedipus and the effects of early childhood on later life within twenty minutes of meeting The third draft of Paul Morel was sent to the publishing house Heinemann the response a rather violent reaction came from William Heinemann himself His reaction captures the shock and newness of Lawrence's novel the degradation of the mother as explored in this novel supposed to be of gentler birth is almost inconceivable he encouraged Lawrence to redraft the novel one more time In addition to altering the title to a more thematic Sons and Lovers Heinemann's response had reinvigorated Lawrence into vehemently defending his novel and its themes as a coherent work of art To justify its form Lawrence explains in letters to Garnett that it is a great tragedy and a great book one that mirrors the tragedy of thousands of young men in England David Herbert Richards D H Lawrence 11 September 1885 2 March 1930 was an English novelist poet playwright essayist literary critic and painter His collected works represent among other things an extended reflection upon the dehumanising effects of modernity and industrialisation Some of the issues Lawrence explores are emotional health vitality spontaneity and instinct **Son and Lover, the Young**

D H Lawrence by Philip Callow Philip Callow, 1975 **Sons and Lovers** DH Lawrence , Considered by contemporary critics to be Lawrence's greatest achievement Sons and Lovers tells the tale of Paul Morel a young man and aspiring artist who grows up under his mother's wing She is extremely protective towards him and they are both attached to each other almost inseparably But as Paul matures and wants to forge a path for himself and perhaps find love he always finds himself inexorably drawn back to his mother He is forced to make a difficult decision whether to strike out on his own and do what he truly desires or to stay by his mother's side instead
