All those retreats and camps books and seminars conferences and leadership symposiums what difference do they make in young lives today As technology accelerates spiritual apathy increases Young people are biblically illiterate bored and find the church to be irrelevant Parents are frustrated Youth leaders are burned out And high school and college students if they ever attended are leaving the church by the droves What on earth has gone wrong Youth Ministry What s Gone Wrong How to Get It Right shines a revealing light on standard youth ministry practices and helps the reader to see what needs to change The book is full of practical ideas that work in real churches and includes voices from the trenches perspectives from current youth ministry leaders Deep down inside young people want life to matter The church has something important to offer but we have to start getting it right     *An Exposition of the Gospels of St. Matthew and St. Mark* Richard Watson,1834
