Arthur Marx

Son Of Groucho:

Son of Groucho Arthur Marx, 1972 Twenty years have passed since Arthur Marx wrote *Life with Groucho* One of the most surprising developments is the sudden new popularity of old Marx Brothers films Such a cult of Marx Brothers fans has sprung up in recent years that Arthur finds he is asked more questions about his father and his brothers than ever before For Arthur however life has always been about his family To paraphrase Tolstoy every celebrity's family is different in different ways This book then isn't so much about Arthur Marx as it is about a circumstance the circumstance of living life in the shadow of a world famous gentleman

Children of Hollywood Michelle Vogel, 2005-04-13 Living in the shadow of a famous parent can have powerful effects from professional opportunities to pressure so great it leads to suicide Some children of stars are proud of their roots while others live in secrecy This is a rare look into the private lives of the children and in a few cases grandchildren of these classic Hollywood icons revealing the stresses and inspirations of living with great performers who may or may not have been great parents Some movie stars protected their offspring but others used them as publicity props or even made them into rivals Despite their unusual upbringing some of the children succeeded in the movies or elsewhere but many never lived up to the public expectations Many lost their parents whether to the extremes of the celebrity lifestyle to divorce or to their careers From the beautiful bedtime stories Harpo Marx and his wife told their four adopted children to explain where they'd come from to the studded belt Bing Crosby used to punish his sons for not obeying the strict family rules this work tells the best and worst of growing up in a celebrity home Families covered include those of W C Fields the Marx Brothers Eddie Cantor Mario Lanza Ruth Hussey Jerry Lewis Douglas Fairbanks and Boris Karloff Research is drawn from interviews with celebrity offspring who also provided never before published snapshots of Hollywood legends at home

My Life with Groucho Arthur Marx, 1988 The author shares his memories of his father and provides an overview of Groucho's career and family life

The Marx Brothers Wes D. Gehring, 1987-07-28 This bio bibliography was designed to present a combined biographical critical and bibliographical portrait of the Marx Brothers It examines their significance in film comedy in particular and as popular culture figures in general The book is divided into five sections beginning with a biography which explores the public and private sides of the Marx Brothers The second section is concerned with the influences of the Marx Brothers as icons of anti establishment comedy as contributors to developments in American comedy as early examples of saturation comedy and as a crucial link between silent films and the talkies Three original articles two by Groucho and one by Gummo comprise part three A bibliographical essay which assesses key reference materials and research collections is followed by two bibliographical checklists Appendices containing a chronological biography with a timeline a filmography and a selected discography complete the work

David Bruce, 2006-06-01 *Bride of the Funniest People in Religion and Families* contains such anecdotes as these When Panamanian salsa singer Rubin Blades married Lisa Lebenzon an Anglo a white American not of Spanish descent non Spanish speaker he asked her to learn Spanish

so he could speak his native language at home She finished in only seven months a Spanish course that normally took three years Dr Louis Finkelstein chancellor of the Jewish Theological Seminary of America kept a strictly kosher diet While in Paris he and a group of rabbis ate only in kosher restaurants On leaving Paris Dr Finkelstein joked I can't understand all this fuss people make about French cooking We have the same things at home A Sufi teacher spoke about the virtue of patience As he spoke a scorpion stung his foot repeatedly His followers eventually noticed the scorpion and asked the teacher why he had not moved his foot away from it The teacher replied I was discussing the virtue of patience I could hardly have spoken about patience without also setting an example of patience I would have been ashamed before God Brothers George Howe Colt,2014-05-06 Blends history and memoir in an account that in alternating chapters explores the author's quest to understand the impact of his brothers on his life and the complex relationships between iconic brothers including the Thoreaus the Van Goghs and the Marxes **Encyclopedia of Television** Horace Newcomb,2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclopedia of Television 2nd edition website Zeppo Robert S. Bader,2024-10-15 Marx Brothers authority Bader has done a remarkable job successfully uncovering the story of the unknown brother revealing a genuinely complex character This book is revelatory not just about Zeppo but also about the rest of the Marx Brothers Library Journal Zeppo was the Marx Brother who didn't want to go into the family business A juvenile delinquent in his teen years before joining his brothers on stage Zeppo balanced two careers auto mechanic and petty criminal Even after getting dragged into the world of entertainment for sixteen years he did his familial duty as a vaudeville Broadway and movie star he finally made his escape from the Four Marx Brothers After failed attempts to find steady work in real estate screenwriting and the restaurant business Zeppo finally hit it big as a Hollywood talent agent representing stars like Barbara Stanwyck Fred MacMurray and Lana Turner From there he bred racehorses owned a manufacturing plant tried out citrus ranching and commercial fishing and patented several new inventions He was in short a complex character and his own family never quite figured him out Zeppo The Reluctant Marx Brother gives a lively account of this checkered life and career As Robert Bader recounts Zeppo's lifelong addiction to gambling led him into relationships with several notorious organized crime figures and he would ultimately appear before grand juries more frequently than movie cameras He was certainly the only Marx Brother who saw the corpse of a friend in a newspaper crime scene photo Socially he mixed as easily with mobsters like Mickey Cohen as he did with movie stars like Clark Gable Comprehensively researched with the full cooperation of Zeppo's estate including the first ever interviews with his two sons this is a remarkable look at the many lives of Zeppo Marx even the ones he did his best to keep secret **Son of Groucho** Harpo Marx,1972 **The Comic World of the Marx Brothers' Movies** Maurice Charney,2007 The Comic World of the Marx Brothers Movies Anything Further Father is the first book to consider the Marx

Brothers in the context of comic theory and practice It includes a gag analysis of three famous scenes the stateroom scene in A Night at the Opera the mirror scene in Duck Soup and the tootsie frootsie ice cream scene in A Day the Races The New Yale Book of Quotations Fred R. Shapiro,2021-08-31 A revised enlarged and updated edition of this authoritative and entertaining reference book named the 2 essential home library reference book by the Wall Street Journal Shapiro does original research earning this volume a place on the quotation shelf next to Bartlett s and Oxford s William Safire New York Times Magazine on the original edition The most accurate thorough and up to date quotation book ever compiled Bryan A Garner Los Angeles Review of Books Updated to include more than a thousand new quotations this reader friendly volume contains over twelve thousand famous quotations arranged alphabetically by author and sourced from literature history popular culture sports digital culture science politics law the social sciences and all other aspects of human activity Contemporaries added to this edition include Beyonc Sandra Cisneros James Comey Drake Louise Gl ck LeBron James Brett Kavanaugh Lady Gaga Lin Manuel Miranda Barack Obama John Oliver Nancy Pelosi Vladimir Putin Bernie Sanders Donald Trump and David Foster Wallace The volume also reflects path breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution It has also incorporated noncontemporary quotations that have become relevant to the present day In addition The New Yale Book of Quotations reveals the striking fact that women originated many familiar quotations yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead This book s quotations annotations extensive cross references and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages

A Century of the Marx Brothers Joseph Mills,2009-03-26 In 1905 Julius Marx began his vaudeville career with the singing group The Leroy Trio and was abandoned in the middle of the tour It was an inauspicious start for the person who would become Groucho A hundred years later the Marx Brothers have permeated our culture from the plastic noses and glasses worn at parties to a Smithsonian exhibition which explains DNA recombination using A Night at the Opera Although they completed relatively few films together the brothers have become icons recognizable even to people who have never seen their movies Most scholarly work on the Marx Brothers has focused on biographical aspects of their careers and lives A Century of the Marx Brothers suggests a myriad of other useful approaches to their film and stage productions The collection s eleven essays examine the Marx Brothers work from a number of critical perspectives ranging from reader response theory to film semiotics The contributors include international scholars in a variety of fields such as literature cultural studies performance studies and film history

The Marx Brothers and America Robert E. Weir,2022-08-12 The ground has shifted from the days in which serious history and boring went hand in glove Textbooks and lectures have their place but less traditional classrooms can be powerfully immersive and insightful Take the 1929 Marx Brothers film The Cocoanuts and what it teaches about both the Great Depression and early sound films The Marx Brothers

are among the funniest comedy teams of all time Four of their 13 films are on the American Film Institute s list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor

Groucho Marx, King of the Jungle Ron Goulart, 2005-07-01 Frank Denby and Groucho Marx arrive on the set of the new Ty Gor film a Tarzan knockoff expecting to have Groucho do his humorous walk on What they find is that Randy Spellman the star of the picture has been murdered Frank s wife Jane is only a few weeks away from having their baby and the amateur detective team has promised to lay off on the sleuthing But when a stuntwoman who has gone missing is suspected of the murder Jane insists they take up the case to clear the young woman s name In addition to being a horrible actor Spellman was a womanizer and a blackmailer Many people had reason to dislike him or even kill him and the investigation leads Frank and Groucho through the glamour and seediness of 1940s Hollywood Groucho signing autographs all the while In this latest installment of the series Ron Goulart is at the top of his game reminding readers there s no business like show business except when this charming team is wearing its gumshoes

Film Clowns of the Depression Wes D. Gehring, 2014-11-21 The 1930s are routinely considered sound film s greatest comedy era Though this golden age encompassed various genres of laughter clown comedy is the most basic type This work examines the Depression decade s most popular type of comedy the clown or personality comedian Focusing upon the Depression era the study filters its analysis through twelve memorable pictures Each merits an individual chapter in which it is critiqued The films are deemed microcosmic representatives of the comic world and discussed in this context While some of the comedians in this text have generated a great deal of previous analysis funnymen like Joe E Brown and Eddie Cantor are all but forgotten Nevertheless they were comedy legends in their time and their legacy as showcased in these movies merits rediscovery by today s connoisseur of comedy Even this book s more familiar figures such as Charlie Chaplin and the Marx Brothers are often simply relegated to being recognizable pop culture icons whose work has been neglected in recent years This book attempts to address these oversights and to re expose the brilliance and ingenuity with which the screen clowns contributed a comic resiliency that was desperately needed during the Depression and can still be greatly appreciated today The films discussed are *City Lights* 1931 Chaplin *The Kid* 1931 Chaplin *From Spain* 1932 Cantor *She Done Him Wrong* 1933 Mae West *Duck Soup* 1933 Marx Brothers *Sons of the Desert* 1933 Laurel and Hardy *Judge Priest* 1934 Will Rogers *It s a Gift* 1934 W C Fields *Alibi* 1935 Brown *A Night at the Opera* 1935 Marx Brothers *Modern Times* 1936 Chaplin *Way Out West* 1937 Laurel and Hardy and *The Cat and the Canary* 1939 Bob Hope
