family **My Incredible Journey** DIANAND DENNY BHAGWANDIN,2014-08-23 I came from a poor family but was
afforded all the opportunities to make myself a better person than my parents who did not have those opportunities My
childhood days were hard living on a farm getting up early in the morning doing my chores and then walking two miles to
school My high school days was not as good as expected and I put that to the conditions under which I had to deal with living
away from home sometimes under unpleasant situations and then getting up at 5 00 am to travel by train to Georgetown to
get to school I remember reading that Abraham Lincoln had to walk six miles per day to go to school and he became one of
the best President of the United States of America My studies were cut short to assist my family when they were faced with
major problems I realized that the experience I gained by joining the SSU made me a better person As I began my life anew I
was determined to be successful in whatever my endeavors were Success comes with hard work and perseverance and I took
advantage of all the windows of opportunities that came my way like forming Patrician Phone Corporation and South Jamaica
Services and running for Congress To the readers of my autobiography especially the younger generation I want to tell you
that the sky is not the limit There are many opportunities out there you have to take the time to look for what interests you If
I had to live my life over again I would probably do the same things all over again but I think with less mistakes I have no
regrets because I did it my all way Judicial Reports / Recueils judiciaires 1997 Volume 3 Int. Criminal Tribunal former
