Son Of Sato:

Son of Sato William Lewis, 1978 **Japanese War Orphans** Jiixin Zhong, 2021-11-25 After Japan's defeat in August 1945 some Japanese children were abandoned in China and raised by Chinese foster parents. They were unable to return to Japan even during the mass repatriation carried out by the Japanese government in the 1950s. Most of them returned to Japan in the 1980s. They are called Japanese war orphans. They are victims of the Sino Japanese War and have been exploited and abandoned by the Japanese government. They are also border people who have lived in the interstices between two nations, China and Japan, and are migrants who have exploited the gap in economic development between Japan and China to seek individual happiness. Modern East Asia underwent drastic social change. These drastic social changes affected the lives of the Japanese war orphans and their families in a variety of ways. Over the years Zhong has interviewed Japanese war orphans, their Chinese foster parents, and Japanese volunteers. The title is an interview-based sociological study of the issue of Japanese war orphans. The first half of the Japanese war orphans' lives were spent in China and the latter half in Japan. It brings to the fore the dramatic personal histories of the Japanese war orphans surviving in the interstices between two nation states. Through analyzing the issue of Japanese war orphans, the research on the subject makes the following three points: 1. the powerlessness of civilians caught up in modern warfare and the long-lasting effects of modern warfare on the life histories of individuals and their families; 2. the nature of the modern nation state which exploits and abandons its citizens as though they were expendable; and 3. immigration as a product of modernization gaps. Scholars pursuing studies in both Japanese society, Chinese society, and historians of the Sino Japanese war would find this an ideal read. **Toward a More**

Amicable Asia-Pacific Region Yoneyuki Sugita, 2015-12-15 The Asia Pacific region has been enjoying fast growing economy. As President Barack Obama's pivot to Asia strategy indicates, this region is an engine for the world economic growth. However, the Asia Pacific has also been an unstable region suffering from many sources of conflicts such as disputes on Senkaku Diaoyu Islands, the unsettled Exclusive Economic Zone (EEZ) borders, and many others. Do we need a hegemonic power to stabilize this region? What can we do to deal with the emergence of China? How can we understand anti-Japanese feelings? Is there any way to deal with the problem on Senkaku Diaoyu Islands? How can we analyze nuclear crisis on the Korean peninsula? Can the European Union make any contribution to stabilizing the Asia Pacific region? Those are some of the concrete questions this book tackles with in order to find ways and means to establish a more amicable Asia Pacific region.

Perceptions of East Asian and Asian North American Athletics Steve Bien-Aimé, Cynthia Wang, 2022-09-27 This book highlights inconsistencies within the field of sports scholarship and provides an opportunity to open up and extend conversations about the intersection of sports, media, and race, particularly surrounding athletes of East Asian descent. Despite the growing influence of East Asian and Asian American Canadian athletes, they are still underrepresented in Western media and in scholarship. This anthology adds much needed literature to sports popular culture, East Asian and Asian American

studies The prominence of sports in global popular culture makes the intersections explored in this collection a crucial addition to existing conversations about both sports and East Asian Asian American Canadian studies **The Smile** A. R. Easterling, 2015-07-30 This is a story of love Love which is the same no matter the soul s shell No one should have to be ashamed of the people they love as we are all human I love you Who would have ever thought the words which caused me such dread in the past could ever come to sound so beautiful and feel so very wonderful Returning to Japan after the loss of his mother Hitori hopes to start anew He enters school and longs to make new friends Quickly he realizes that friendship will not be the only thing he finds Befriending a quiet classmate Hitori finds himself falling hopelessly in love Akaya is a shy quiet boy who finds himself stumbling through life afraid of many things At first he is bothered by the outrageous look of the new student Before long however he comes to enjoy the company of the blue haired man and wonders how he made it so long without a friend like Hitori As their friendship blossoms then turns to love the boys have to learn to ignore harsh words from school society and family alike Despite this their love grows and soon they realize soul mates really do exist The sun shines brighter than ever before and the nights aren t nearly as cold as they once were Love has finally warmed the two distraught souls and created an illusion of serenity As seasons change the boys continue to defy society and become something magical But upon receiving horrible news from his mother everything in Akaya s life changes When a time limit is placed on their love the boys fight to make their remaining time together something meaningful Love becomes their whole life as they realize they may not get the fairytale ending to their relationship Without him I am like a book ripped in half Without the beginning you would surely be confused and without the end you will never be fulfilled What could tear these two apart After fighting past societal norms school bullying and angry parents what could finally break them apart **In Search of Our Past** ,1980

Saran, Norman P. Ziegler, 2020-08-06 The Me t yo R ho s of Me to R jasth n is a treasure for scholars of Rajp t history Richard D. Saran and Norman P. Ziegler whose contributions to Rajp t studies are well known to specialists in the field have given us a work of deep and exacting scholarship It is the culmination of decades devoted to the study of Middle Marwari chronicles from R jasth n The sources translated here provide access to the fortunes of a branch of the Jodhpur royal family and in doing

so they illuminate the larger world of Rajp ts in the middle period The Me t yo R ho s are significant for several reasons Their story traces the emergence of a Rajp t brotherhood into local prominence and follows the establishment of their kingdom on the eastern edge of M rv as a defined territorial unit The evolution of the Me t yos as a brotherhood passed through several clearly defined stages including a relationship with the house of Jodhpur that ranged from mutual support among brothers to hostility and clear separation A study of the Me t yos in this context provides a unique view of the formation of a strong and indpenendent Rajp t cadet line of the establishment and defense of a local territory and of the internal relations among Rajp t brotherhoods regarding issues of precedence honor patronage and service The translations are accompanied by an extensive explanatory apparatus taking various forms which includes a valuable essay on Rajput social organization complete genealogies and biographies of all the major personages of the chronicles
