Bartlett, Barbara Brown Taylor,2009-07-29 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today When complete the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle

along with movable occasions such as Christmas Day Epiphany Holy Week and All Saints Day For each lectionary text preachers will find four brief essays one each on the theological pastoral exegetical and homiletical challenges of the text This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion The editors and contributors to this series are world class scholars pastors and writers representing a variety of denominations and traditions And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its contents

Repentance Ed Marr, 2004-08 This work is written with a law enforcement officer's investigative mindset and from the perspective of a prisoner I discovered through a survey of Christian bookstores that no books were exclusively on or about repentance but most only touched on the topic The only author who had anything to say about repentance beyond a mere mention was Charles G Finney in Finney's Systematic Theology This 600 page work transformed my thinking and influenced my investigation This book discusses spiritual leadership without bashing any spiritual leader It points out carnality without castigating any particular ministry or denomination Hundreds of illustrations will familiarize the reader with revelations about repentance and carnality These illustrations like parables contain revolutionary truths that are true to Scripture reason and life so that Repentance The Doctrine of God may become one harmonious revelation Warning As you read this book you will encounter deep seated carnality residing within the blackened depths of your soul and it will not want to be exposed But take heart Almighty God will accompany you on this journey for the complete regeneration of your soul
