political genius and moral vision Influenced early on by nonviolent teachings in Hinduism Jainism Christianity and Buddhism he came to insist on the primacy of love for one's adversary in any conflict as the invincible power for change His unyielding opposition to intolerance and oppression would inspire India like no leader since the Buddha creating a legacy that would encourage Martin Luther King Jr Nelson Mandela and other global leaders to demand a better world through peaceful civil disobedience By boldly considering Gandhi the man rather than the living god depicted by his disciples Wolpert provides an unprecedented representation of Gandhi's personality and the profound complexities that compelled his actions and brought freedom to India

Harvest of the Late Season Aniruddha Pathak, 2015-10-13 Harvest of the late season yes indeed it is All my working life ever since my days with the Times of India group of publications where I worked in the Economic Times during mid sixties I only wrote analytical stuff for the newspaper Later when I shifted to management from journalism and then through change of jobs this continued When I retired some of the periodicals requested me to continue to contribute articles regularly which I initially thought why not but was not sure for I had also decided to do something different from what I did all working life Yet I was toying with the idea of continuing to write something Only that something was not spelt out nor was I clear as to what Soon this something turned out to be poetry and poetic translation of ancient Sanskrit texts Harvest of the Late Season is the first book on poetry presented to readers
