The Song of Songs Commonly Called the Song of Solomon, Or The Canticle Albert Réville,1873 **The Song of Songs. An Exposition of the Song of Solomon. By the Rev. A. Moody Stuart. [With the Text.]** Alexander Moody STUART,1857

The Song of Songs, which is by Solomon. A New Translation: with a Commentary and Notes. By T. Williams,1801 *Gender in Solomon's Song of Songs* Alastair Ian Haines,2016-12-14 The thesis shows that the Song of Songs can be read as a circular sequence of sub poems that follow logically from one another if they are understood as contributing to two main points made in a woman s voice The woman urges men to take romantic initiative to be committed exclusively and for life and urges women three times to wait until they are approached by such men If this reading is the best explanation of the text of the Song then the Song is a unified work centered on a woman singing about human romantic love from a woman s perspective

022 Song of Solomon J.A. Roberts,2024-02-08 I feel this book of scripture is best looked at as a group of songs rather than one flowing song There will be a lot of jumping back and forth between past and present through these different songs and story and I want to do my best to clarify that when we go through it This book of the Bible is a very interesting one that looks deep between the relationship of the believer and Jesus Christ Solomon is of course the writer as we will see in a moment and it is certainly something that is applicable for himself as he will be the shepherd that the Shulamite woman falls in love with Solomon can do nothing but write about himself seeing as this is what he was experiencing The important thing to note and remember through this reading is whether Solomon understood it or not this wasn t about him It was about Christ All of scripture was is about Christ There are a plethora of books written and recorded by Solomon that are not even located in scripture Some are found in books like the Apocrypha and others are books that have not made their way into scripture perhaps things like journal entries Other holy books even talk about Solomon and his glory including but not limited to the Quran Solomon is a widely known figure in the religious circles but there was something that shouldn t lost on mere religion alone Solomon knew the God of the Bible He conversed with God He desired to lead the people FOR God Jerusalem needed a Godly leader and Solomon was the one chosen for the job Through all his wisdom he eventually understands the relationship aspect that God desires and I believe that God reveals this through this story song

Evans,Brian Leport,Paul T. Sloan,2021-12-16 The nine essays that make up this volume provide cutting edge studies of how sacred tradition is given new expression through vision and interpretation The first four essays focus on the expansion of the sacred tradition primarily through vision The evolution of the Solomon legacy

from wise king to healer and exorcist is explored as well as its contribution to the demonology of the desert fathers especially as it concerns eroticism and sexual temptation The varied receptions of the Revelation of the Magi and Shepherd of Hermas are also considered The remaining five essays address important questions relating to polemic and violence in the Pseudepigrapha How does the author of the Liber Antiquitatum Biblicarum justify God's alternating judgment and favor How does Enoch's Animal Apocalypse make use of the Exodus tradition in its expression of deliverance On what basis can the author of Qumran's War Scroll confidently predict Israel's vindication And finally what accounts for the appearance of the tradition of Gehenna in which the wicked will meet their fiery end

The Song of Songs Yair Zakovitch, 2018-09-20 The Hebrew Bible is religious literature the fundamental interest of which lies in the relations between humankind especially the people of Israel and God The Song of Songs on the other hand is interested in the relations between men and women In this volume Yair Zakovitch examines the presence of the Song of Songs in the Hebrew Bible and questions how this enigmatic collection of poetic writings came to be within the Bible Zakovitch poses and addresses a range of enticing questions in the eight chapters of this volume including what does this erotic poetry have to do with Israel's formative texts What do the poems tell us about gender relations in those years and about early Israel's attitudes towards beauty love women and sex Do we finally get to hear women's voices in the Song where the rest of the Bible gives a male perspective How despite our astonishment is the Song of Songs nonetheless intrinsically biblical What does it have in common with the Bible's other books Was the allegorical interpretation of the Song just an excuse in order to include the book in Scripture
