Southern Steam From Lineside:

Southern Steam from Lineside Derek Cross,1974 *Southern Steam Recollections* Don Benn,2019-11-30 This collection of historic photographs showcases the steam trains of England s Southern Railway from Devon and Cornwall to Wimbledon and beyond Train enthusiast Don Benn photographed steam locomotives along England s Southern Railway from 1960 until steam engines were retired in 1967 In his most prolific years between 1961 and 1963 Benn captured the last of the classic ex Southern Railway designs such as the King Arthurs Lord Nelson and Schools classes Beloved trains such as the Bournemouth Belle and Lymington Pier boat trains are shown to good effect The 150 black and white photos presented in this volume many published here for the first time span the Southern Region from the east to the withered arm in Devon and Cornwall Special focus is paid to the areas just south and south west of London including such historic locations as the footpaths at South Croydon and Wimbledon *The Railway Magazine* ,1993 ***Southern Railway Steam Trains Volume 2-Freight*** Curt Jr Tillotson,2006-01-13 This the second of Curt Tillotson s Southern Railway steam books portrays the line s freight trains from the 1930s to the end of steam in 112 pages and as many superb B W photos with extended captions Tillotson captures the essence of the Southern s remarkable stable of older yet well maintained and superbly operated steam locomotives Volume 1 published in 2004 portrays the Southern s steam passenger trains *The Twilight of Southern Steam* Don Benn,2017-06-30 This book is first and foremost the story of the enginemmen and their steeds which brought the steam era to an end on the Southern It is therefore primarily about locomotive performance but enlivened by stories about how that was achieved and also about the band of young men who followed the exploits of men and machines day and night over those last two years It includes a substantial contribution from an ex Nine Elms fireman and many anecdotes about the enginemmen The book contains about eighty train running logs plus records of lineside observations detailed descriptions of the work covered by the locomotives and crews from the various steam motive power depots copies of the actual duty rosters posted at Nine Elms together with a unique collection of about 150 black and white and color images taken in the 1965 to 1967 period covered by this book It is the most comprehensive story of those last few years yet produced and it is truly The Untold Story a fine tribute to the enginemmen who performed near miracles with their doomed and run down fleet of locomotives in the very different world of the mid 1960 s railway unequalled anywhere else in Britain *Main Line Steam Around London* Malcolm Batten,2021-10-15 Previously unpublished photographs looking at steam railways around London over the last fifty years

The Official Guide of the Railways and Steam Navigation Lines of the United States, Porto Rico, Canada, Mexico and Cuba ,1911 *Steam on the Southern and Western* David Knapman,2020-01-31 *Steam on the Southern and Western* is a personal record of railway views that were captured on black and white film in the late 1950s and 1960s until the demise of steam on British Railways The style of the book is the well tried and tested picture and captions format and the majority of the pictures are black and white photography Not every picture portrays a train as there are interesting branch

line and infrastructure scenes to view as well Furthermore the book is intended to represent an eclectic mix of subjects and not to solely show main line scenes for example The book covers the Southern and Western regions of British Railways with the Somerset and Dorset Railway included for good measure as it fits neatly into the areas of the country for this volume It also carries its share of photographs of British Railways standard locomotives in the locations appropriate to the regions Where preservation starts to overlap with the still active steam scene some historic photographs are included Photographs are grouped together by a particular location for example the Redhill to Reading line of the Southern and Oxford on the Western Each of these topic areas provides a flavour of the railway activity at the time Overall the book presents the reader with a gentle meander through the 1950 s and 1960 s railway scene and will stir the memories that so many of us have seen and still treasure today Bookseller and the Stationery Trades' Journal ,1975 **Electrical Engineering** ,1914
