The Sovereignty of God Debate D. Stephen Long, George Kalantzis, 2009-01-01 How is God sovereign with respect to creation Does creation affect God Does God suffer or change because of creation If so how is this related to Christology Why have these questions been so controversial in evangelical theology even costing some people their jobs This book is a collection of lectures given to the Forum for Evangelical Theology at Garrett Evangelical Theological Seminary Six theologians answer the questions above from a variety of perspectives They draw on resources including the church fathers Thomas Aquinas John Calvin Jürgen Moltmann process theology and open theism In the process of answering the question does God suffer each theologian also illustrates how responding to this subject requires an examination of other crucial evangelical issues such as how we read Scripture and what it means to proclaim that God is love Although the writers answer these questions in a variety of ways the hope is that engaging in this conversation together can help evangelicals and all Christians to speak more faithfully of our sovereign God

The Sovereign God James Montgomery Boice, 1978 James Boice helps us with his readable overview of basic theology Foundations of the Christian Faith In *The Sovereign God* the first volume of the four volume series he carefully opens with the topics of what we know about God and how we know it The Bible's authority is emphasized and the modern questions of

inerrancy and biblical criticism are approached with scholarly care Boice closes with discussions of the key attributes of God and the nature of God's creation Publisher The Sovereignty of God Philip D. Derber, 2012-07-18 If asked what sovereign means most Christians would answer incorrectly In the body of Christ the SOVEREIGNTY OF GOD is a cliché a scapegoat to explain events that baffle the mind When common reasoning cannot provide an answer someone steps forward and says It was a sovereign move of God Most frequently this happens in negative or destructive happenings but even an individual receiving a healing can be explained away as an act of God's sovereignty In this book we will explore the Word of God to find out what sovereignty is and how God operates this planet by it Get ready to dive into truth and discover exactly what a sovereign move of God is all about **The Sovereignty of God in Our Daily Lives** David R.
