A Suggestive Inquiry Into the Hermetic Mystery Mary Anne Atwood, 2015-06-16 Excerpt from A Suggestive Inquiry Into the Hermetic Mystery With a Dissertation on the More Celebrated of the Alchemical Philosophers Being an Attempt Towards the Recovery of the Ancient Experiment of Nature This is the re issue of a book with a strange history a book moreover not only entirely unknown for reasons that will presently appear to all but the meagrest minority but one treating of a subject hitherto excluded from consideration by exponents of conventional learning Whether even now men devoted professionally or otherwise to philosophy divinity or science will give it the least attention is problematical Be that as it may it is believed that among those to whom the book and its subject matter will be new there will be not a few who will accord it at least an interested and respectful notice whilst many others who are already aware of the book s existence and the general tenor of its theme will welcome its re issue and the fact that after nearly seventy years of suppression it now becomes generally accessible In the interests of the book itself and for the information of those whom it will now reach it is desirable that something should be said of its authorship and previous history the reasons for its suppression and its reappearance and lastly of the subject of which it treats The Suggestive Inquiry into the Hermetic Mystery was originally published anonymously in 1850 by the London house of Trelawney Saunders It was the work of a comparatively young woman named Mary Anne South who later by marriage became Mrs Mary Anne Atwood About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     **A**

**Suggestive Inquiry Into the Hermetic Mystery** Mary Anne Atwood, 1920     *A Suggestive Inquiry Into the Hermetic Mystery* Mary Anne Atwood, 2017-09-09 Mary Anne Atwood was a hermetist and a believer in spiritual alchemy She believed that all parts of our universe were one watched over by a deity and that the alteration of the fundamental state of an object s being was possible by spiritual enlightenment After a childhood heavily influenced by her father a researcher into spiritualism Mary was always interested in the possibility of an alternative spirituality and a realm beyond the tangible This work is her attempt to transmit her beliefs to the world Mary published A Suggestive Inquiry into the Hermetic Mystery in 1850 originally with her father s support and permission her second work in the field Mr South financed the anonymous publication of the book but sadly without ever reading a full draft of her manuscript Once he read the book upon publication he was immediately seized with powerful anxiety and attempted to buy back every copy with the aim of burning every one to protect the secrets inside Nearly every copy was lost due to his efforts Thomas South is said to have believed so fervently

that this text was dangerous that he ceased work on his own poetry in response to it wary of disturbing the spiritual unknowns in all our minds Despite the few copies that survived Mr South s purge this text is now available to us to read No doubt the reader would be advised to tread lightly in the practice of spiritual alchemy as finding the Sophia in the mind would even in the author s opinion be a difficult task About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
