Summer Holiday:

Our Summer Holiday Jane Woodward, 1870 *Summer Holidays in Brittany* Thomas Joseph Hutchinson, 1876 *A Summer Holiday in Scandinavia* E. Lester Linden Arnold, 1877 **My summer holiday; being a tourist's jottings about Tenby** My summer holiday, 1863 **The Emotional Economy of Holidaymaking** Yaara Bengier Alaluf, 2021 The Emotional Economy of Holidaymaking explores the rise of popular holidaymaking in late nineteenth century Britain generally considered to be the birthplace of mass tourism It unravels the role emotions played in British spa and seaside holiday cultures *Imagine 4. Class Book*, 2004 **Advances in Questionnaire Design, Development, Evaluation and Testing** Paul C. Beatty, Debbie Collins, Lyn Kaye, Jose-Luis Padilla, Gordon B. Willis, Amanda Wilmot, 2019-10-24 A new and updated definitive resource for survey questionnaire testing and evaluation Building on the success of the first Questionnaire Development Evaluation and Testing QDET conference in 2002 this book brings together leading papers from the Second International Conference on Questionnaire Design Development Evaluation and Testing QDET2 held in 2016 The volume assesses the current state of the art and science of QDET examines the importance of methodological attention to the questionnaire in the present world of information collection and ponders how the QDET field can anticipate new trends and directions as information needs and data collection methods continue to evolve Featuring contributions from international experts in survey methodology Advances in Questionnaire Design Development Evaluation and Testing includes latest insights on question characteristics usability testing web probing and other pretesting approaches as well as Recent developments in the design and evaluation of digital and self administered surveys Strategies for comparing and combining questionnaire evaluation methods Approaches for cross cultural and cross national questionnaire development New data sources and methodological innovations during the last 15 years Case studies and practical applications Advances in Questionnaire Design Development Evaluation and Testing serves as a forum to prepare researchers to meet the next generation of challenges making it an excellent resource for researchers and practitioners in government academia and the private sector *Reflections on Everyday Life* António de Castro Caeiro, 2019-07-31 This book breaks frontiers It deals with human beings and their intrinsic relationship with time in the space of a week Each day is different from another There is nothing human without days It is said that life is a single day but one day is the measure of time in the rhythm of human life Days weeks months years and decades are human organizations of time the universe has no days It is human beings who are time We are literally the days of the week repeatedly until the week ends In this book there is a continuous search for the days identities for their specific characteristics for the way they open up to our consciousness in each of its parts The book identifies the particular characteristics of each day and the specific relationship of human beings with time **Therapy and Emotions in Film and Television** Claudia Wassmann, 2016-02-09 Therapy and Emotions in Film and Television explores from an interdisciplinary perspective the shifts in our emotional preferences styles and emotional regimes in western

societies from the 1920s to today as viewed through the lens of film and television Vip. 7. Kl. Texts, 2007 Tourism Marketing in Western Europe Nikolaos Boukas, Dimitrios Styliadis, 2021-11-09 Tourism is characterized by diversity enormous growth and multidimensional impacts on several levels In the current turbulent environment tourism destinations need on the one hand to maintain and enhance their products in the tourism map and on the other hand to protect their resources integrity for future generations based on sustainability premises This is more evident for traditional destinations in Western Europe as many of them face the consequences of over growth unsustainable development and lack of service quality In this respect attention in the literature needs to be given to how destinations in the region can conceptualize and mitigate their weaknesses as well as capitalize on their competences in order to plan develop and manage tourism products that could lead them to sustainable competitiveness in the long term The book is of significant interest to those researching and working within the area of tourism marketing but also of interest to students who are seeking wider reading on the topic **The Girl's Own Outdoor Book** Charles Peters, 1889 *Tourism in Turbulent Times* Jeff Wilks, Donna Pendergast, Peter Leggat, 2006-08-11 Tourism in Turbulent Times presents an international review of the challenges faced by the world's largest industry and governments around the world to provide safe and enjoyable experiences for visitors The book draws on the background and expertise of contributors from 11 countries representing scholars government officers and industry practitioners It addresses traditional concerns for tourism such as crime as well as emerging challenges posed by the global movement of infectious disease and terrorism These topics are examined by specialists who share a view that tourism can weather turbulent times through adopting appropriate risk management strategies and continuing to provide quality service for customers This book differs from other texts on the market by including a large group of tourism industry practitioners as contributors These writers practice the principles they espouse and have critical insight into the real world issues facing the tourism industry They are also very committed to finding best practice solutions to the challenges facing their industry The book will therefore be of particular interest to tourism managers and policy makers since it provides relevant information for the important decisions they need to make Throwing the net wide to include medicine law psychology sociology education and hard science means that a wide range of perspectives are available to address global business insurance security and policy questions in this emerging area of tourism Shocks such as the terrorist attacks of 11 September 2001 SARS and the more recent Asian Tsunami have made the tourism industry very conscious of the need to protect its customers This book highlights the positive responses made by various sectors of the industry at destination national and international levels It also examines the growing adventure tourism market characterised by small operators who need good risk management practices to weather adverse global events as well as run a financially viable small business Such a wide set of perspectives will be very valuable to both students and tourism professionals Holiday Hunger in the UK Michael A. Long, Margaret Anne Defeyter, Paul B. Stretesky, 2021-08-03 This timely and much needed book focuses on the phenomenon often referred to

as holiday hunger in the United Kingdom The book begins by outlining the history and scope of holiday hunger the condition that occurs when a child s household is or will become food insecure during the summer holidays The decline of the UK welfare state and the rise of neoliberalism have created a situation where up to three million children in the UK face food insecurity during the summer months when there are extra financial pressures on the working poor and when free school meals are not available This book details the level of childhood and household food insecurity in the UK and describes one of the main responses to holiday hunger holiday clubs These clubs are locally organised and funded and provide a place for children to go to eat nutritious meals for free during the school holidays Highlighting the benefits of holiday clubs that often extend beyond food provision this book also discusses the challenges that they face now and in the future The book concludes with recommendations for food insecurity policy and the role of government in fighting holiday hunger This book will be of great interest to students and scholars of food and nutrition security social policy and public health **Finance &**

Weiss,Robert S. Brown,2013-06-13 How do calendars and clocks influence considerations of school effectiveness From the creation of compulsory education to the future of virtual schooling Weiss and Brown trace two centuries of school practices policies and research linking the concept of time with opportunity to learn School calendars and clocks are shaped by both the physical and social worlds and the clock of schooling is shown to be one of the great clocks of society that helps to frame school effectiveness School time does not operate in a vacuum but within curriculum teaching and learning situations The phrase chrono curriculum was devised by the authors as a metaphor for exploring issues of school effectiveness within the time dimension Using American and Canadian sources stories are created to illustrate four themes about time and school effectiveness The first three stories utilize access attendance and testing as criteria associated with these eras of schooling How will the story read in the fourth era the digital age which forces us to a reconsideration of time and its influence on education Quoting David Berliner in his Foreword this is an opportune time for these authors to bring us insights into the reasons we in North America created our public school systems and how the chrono curriculum influences those systems The authors presentation of our educational past provides educators a chance to think anew about how we might do schooling in our own times ... **Holiday Haunts in England, Wales and Channel Islands** Great Western Railway (Great Britain),1927
