

I finally understand  
How the daisies release  
Petals grown  
Through a summer of love

When winter frost  
Settles below the trees  
They do not fear that their return  
Has not been promised by the sun

They do not mourn  
The life they once loved  
They let go  
Because they must

There is nothing else left to do  
But become dust  
Rest while the world  
Mourns their loss

And when warm light stirs their sleep  
From an uncertain slumber  
They will remember how to dance once more  
While the sparrows sing
