Meetings with Mary Janice T. Connell, 2015-03-18 Through the centuries and across the world the Virgin Mary has appeared to ordinary people of every race and culture from scholars to illiterates from the devout to the unbelieving from young children to the dying In this exquisite and inspiring volume Janice T Connell chronicles authenticated Marian apparitions and messages Mary has brought from God as mother comforter Queen of Angels and Prophet of the Apocalypse Drawn from scripture legend and never before published eyewitness accounts these are personal stories the author's own and her interviews with other visionaries filled with beauty wonder and joy Meetings with Mary ranges from Elijah's vision of Mary eight hundred years before her birth to the world famous children of Medjugorje in Bosnia whose encounters with her began in 1981 and continue daily Here also are lesser known deeply touching encounters with the Mother from an office worker in Holland to a Japanese nun from a Jewish banker in Rome to an awestruck crowd of visionaries few of them Christians or of any other faith in Egypt Meetings with Mary asks also as the millennium draws near shadowed by disasters disease and brutal civil warfare are Mary's frequent appearances a signal to the faithful Perhaps she is calling us all to join her now on a voyage toward the eternal shores of peace joy and abiding love Connell is passionate about prayer and sharing her love of Jesus mother She has a way of simplifying complex theology Rocky Mountain News

The Secrets of Mary

Janice T. Connell, 2009-11-30 Through the centuries the Virgin Mary has appeared to ordinary people of every race and culture bringing forth her messages of love peace and comfort In these trying times Mary's protection is needed more than ever In *The Secrets of Mary* Janice T Connell chronicles messages Mary has brought from God drawn from scripture experts and eyewitness accounts Mary's voice provides a guiding light for modern times as she explains how to solve problems that are surfacing throughout the world Janice T Connell's newest collection of stories includes Saint Augustine's discovery of Mary's power Insight from the world famous children of Medjugorje in Bosnia A famous Washington D C media anchor's touching encounter with the Blessed Mother The author's own awe inspiring experience with Mary in Japan And much more Filled with beauty wonder and joy *The Secrets of Mary* provides comfort and inspiration to all those who desire Mary's gifts

Introduction to Mary Mark I. Miravalle, 2006 *The Introduction to Mary* offers us the opportunity to experience the truth about the person of Mary our Spiritual Mother through learning about Marian doctrine and devotion Also offers answers to ten of the more common objections to Mary Written by a Professor of Theology and Mariology at Franciscan University at Steubenville Imprimatur

Encountering Mary Sandra L. Zimdars-Swartz, 2014-07-14 In the past two centuries hundreds of apparitions of the Virgin Mary have been reported drawing crowds to the seers and the sites and constituting events of great religious significance for millions of people worldwide Here Sandra Zimdars Swartz provides a detective like investigation of the experiences and interpretations of six major apparitions including those at La Salette and Lourdes in France during the

mid nineteenth century at Fatima Portugal in 1917 and the more recent ones at San Damiano Italy Garabandal Spain and Medjugorje Yugoslavia where the apparitions continue Adopting a phenomenological approach to these encounters with Mary one that is neither apologetic nor antagonistic the author explores the tension between the personal meaning of the events for their subjects and the public appropriation of this meaning by a larger religious community Along the way she examines the backgrounds of the seers their willingness or reluctance to talk about the apparitions and their messages the amount of emotional support they received from family and community as news of the apparitions spread the reports of miracles at apparition sites the reactions of local authorities and the steps taken by the Roman Catholic Church in officially recognizing or rejecting the apparitions as worthy of belief The author concludes with a survey of religious worldviews based on Marian apparitions focusing especially on the now popular transcultural apocalyptic nature of these messages to the modern world Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Marian Devotions, Political Mobilization, and Nationalism in Europe and America Roberto Di Stefano, Francisco Javier Ramón Solans, 2016-11-23 This volume examines the changing role of Marian devotion in politics public life and popular culture in Western Europe and America during the nineteenth and twentieth centuries The book brings together for the first time studies on Marian devotions across the Atlantic tracing their role as a rallying point to fight secularization adversarial ideologies and rival religions This transnational approach illuminates the deep transformations of devotional cultures across the world Catholics adopted modern means and new types of religious expression to foster mass devotions that epitomized the catholic essence of the nation In many ways the development of Marian devotions across the world is also a response to the questioning of Pope Sovereignty These devotional transformations followed an Ultramontane pattern inspired not only by Rome but also by other successful models approved by the Vatican such as Lourdes Collectively they shed new light on the process of globalization and centralization of Catholicism *Mary Through the Centuries* Jaroslav Pelikan, 1996-01-01 Explores how Mary has been represented in theology art music and literature throughout the ages **Mother Figured** Deirdre de la Cruz, 2015-12-30 There is no female religious figure so widely known and revered as the Virgin Mary Mary has inspired in cultures around the world a deep devotion a desire to emulate her virtue and a strong belief in her power Perhaps no population has been so deeply affected by this maternal figure as Filipino Catholics whose apparitions of Mary have increased in response to recent events drawing from a broad repertoire of the Catholic supernatural and pulling attention to new articulations of Christianity in the Global South In *Mother Figured* historical anthropologist Deirdre de la Cruz offers a detailed examination of several

appearances and miracles of the Virgin Mary in the Philippines from materials and sites ranging from the mid nineteenth century to the present By analyzing the effects of the mass media on the perception and proliferation of apparition phenomena de la Cruz charts the intriguing emergence of new voices in the Philippines that are broadcasting Marian discourse globally Based on two years of ethnographic fieldwork and hitherto unexplored archives in the Philippines the United States and Spain Mother Figured documents the conditions of Marian devotion s modern development and tracks how it has transformed Filipinos social and political role within the greater Catholic world **Cold War Mary** Peter Jan Margry,2021-01-28 One hardly known but fascinating aspect of the Cold War was the use of the holy Virgin Mary as a warrior against atheist ideologies After the Second World War there was a remarkable rise in the West of religiously inflected rhetoric against what was characterised as godless communism The leaders of the Roman Catholic Church not only urged their followers to resist socialism but along with many prominent Catholic laity and activist movements they marshaled the support of Catholics into a spiritual holy war In this book renowned experts address a variety of grassroots and Church initiatives related to Marian politics the hausse of Marian apparitions during the Cold War period and the present day revival of Marian devotional culture By identifying and analysing the militant side of Mary in the Cold War context on a global scale for the first time Cold War Mary will attract readers interested in religious history history of the Cold War and twentieth century international history **The Oxford Handbook of Mary** Chris Maunder,2019-08-07 The Oxford Handbook of Mary offers an interdisciplinary guide to Marian Studies including chapters on textual literary and media analysis theology Church history art history studies on devotion in a variety of forms cultural history folk tradition gender analysis apparitions and apocalypticism Featuring contributions from a distinguished group of international scholars the Handbook looks at both Eastern and Western perspectives and attempts to correct imbalance in previous books on Mary towards the West The volume also considers Mary in Islam and pilgrimages shared by Christian Muslim and Jewish adherents While Mary can be a source of theological disagreement this authoritative collection shows Mary s rich potential for inter faith and inter denominational dialogue and shared experience It covers a diverse number of topics that show how Mary and Mariology are articulated within ecclesiastical contexts but also on their margins in popular devotion Newly commissioned essays describe some of the central ideas of Christian Marian thought while also challenging popularly held notions This invaluable reference for students and scholars illustrates the current state of play in Marian Studies as it is done across the world Sorrowful Mysteries Stephen Harrigan,2025-04-15 Part memoir part mystery a powerful exploration of the three secrets of Fatima and a man s journey grappling with his own faith In 1917 in Fatima Portugal three shepherd children claimed that the Virgin Mary appeared before them and spoke the words Do not be afraid Stephen Harrigan first heard the story of Our Lady of Fatima when he was a young boy attending a Catholic school in Texas in the 1950s struggling to come to grips with a religion that simultaneously soothed and terrified him The question of what actually happened in Fatima in the early part of the

twentieth century one of the most important and most mysterious events in the church's history captured his young imagination and has stayed with him ever since *Sorrowful Mysteries* is a detailed and extraordinarily compassionate examination of the phenomenon of Our Lady of Fatima an attempt to unravel and put into perspective the lives of the three children how this life altering event changed them and the world they knew and how it intersected with so many of the signal moments of the twentieth century pandemics revolutions world wars assassinations and even skyjackings It is a sweeping story but also at its heart a very personal one about Harrigan's own relationship with Catholicism and his lifelong struggle to break free from a religion that in so many paradoxical ways shaped and defined him

Beloved Jesus Married to Mary

Juanita de Guzman Gutierrez BSED MSED, 2018-05-08 The author has been reading and analyzing who Jesus was and is and forever from holy scriptures other mystics channelings and other worldwide web of information Ms Juanita de Guzman Gutierrez studied and graduated with bachelor and masters degrees in education And she pondered her spiritual awakening After more than thirty three years of school teaching in the Philippines and in New York City's public and private schools she entered the monastery to discern a call to the religious life She stayed in the cloistered and contemplative monastery for three years and three months Ms Gutierrez was admitted as a prepostulant postulant and then as a novice of the congregation who prayed five times a day Ms Gutierrez was assigned sacred jobs such as officiant or leader of songs bell ringer scripture reader assistant to the dispenser cleaner embroiderer and preparer of fruits and vegetables She had to come out and leave the monastery for two reasons First her beloved mother was taken sick Second it was not God's holy will that Sister Juanita becomes a nun This book is a personal spiritual and scholastic journey of Ms Gutierrez through life She had traveled around the world and experienced different cultures and studied miracles that happened in the planet What struck her mind is how universal the greatest man who ever lived on earth Jesus the Christ is He is internationally known and loved and celebrated as well as vilified and mocked This book will bear on these analyses Take this journey with Ms Gutierrez It gave her tears rolling down her cheeks when these words were etched in her mind The greatest Jewish priest that ever lived Jesus was killed for his peaceful doctrine

The Visions of the Children

Janice T. Connell, 2014-04-29 In Medjugorje in Bosnia and Herzegovina on June 25 1981 five teenagers and a nine year old began telling others that they were seeing the Blessed Virgin Mary on a local mountain with the Infant Christ in her arms The religious visions of the children continued daily The Blessed Virgin Mary who identified herself as the Queen of Peace on that day continues to bring messages for the entire world Like Lourdes and Fatima before it Medjugorje has become a holy pilgrimage site for Christian worshippers around the world The Visions of the Children Revised and Updated Edition features exclusive conversations with the six apparitioners who have been receiving since June 1981 visions and messages of the Virgin Mary After 25 years three of the original visionaries continue to see the Blessed Mother daily This revised and updated edition includes new information on the six visionaries who first saw Mary at Medjugorje Messages from the Virgin Mary through June 2006 extraordinary secrets

about the final chapter in the history of the world A new updated list of Marian Centers worldwide This is a must have volume for anyone interested in the Blessed Virgin Mary Marian apparitions or Mejugorgje [Return to Forever](#) Mark Salvatore Pitifer,2013-10-30 Once you complete this journey your eyes will be open FOREVER MIA CALABRESE The whole course of human history may depend on a change of heart in one solitary and even humble individual M Scott Peck Nino Jones an elderly homeless man from New York City agrees to join a group of Heavenly mercenaries who are risking their eternities to pull off one of the most heroic challenges of all time The target is Satan himself and the future of the entire civilized world hangs in the balance Follow Nino as he tours the magnificent Kingdom of Forever the devastation of the Outerdarkness and the absolute horrors of Hell Listen as he learns about the origins of the cosmos and the meaning of human existence from such characters as Albert Einstein Martin Luther King Jr Pontius Pilate King Solomon Elizabeth Cady Stanton Malcolm X Virgin Mary and many others Flee with Nino through the streets of Manhattan as he is pursued by demons who are trying to prevent him from delivering his holy message the truth about who we are where we come from and why we must RETURN TO FOREVER **The Complete Idiot's Guide to Biblical Mysteries** Donald P. Ryan,2000 Provides insight into biblical stories miracles and figures through historical context and scholarship and explores the present controversies over lost texts creationism and archaeological findings *Transcendence, Creation and Incarnation* Anthony O'Hear,2020-06-11 This book expounds and analyses notions of transcendence creation and incarnation reflectively and personally combining both philosophical and religious insights Preferring tender minded approaches to reductively materialistic ones it shows some ways in which reductive approaches to human affairs can distort the appreciation of our lives and activities In the book's first half it examines a number of aspects of human life and experience in the thought of Darwin Ruskin and Scruton with a view to exploring the extent to which there could be intimations of transcendence The second half is then devoted to outlining an account of divine creation and incarnation deriving initially though not uncritically from the thought of Simone Weil The text concludes by examining the extent to which grace is needed to engage in religious practice and belief Taking in art literature music and classical Greek writings this is a multifaceted thesis on transcendence It will therefore will be of keen interest to any scholar of Philosophy of Religion Theology Aesthetics and Metaphysics

Divine Providence H.M. Hyra,2020-05-21 When asked if I am a Democrat Republican or an Independent my response is that I am a Roman Catholic I have maintained that the message of the Catholic faith does not always reflect the activities of the messengers In America the scripture saying Seek first the kingdom of God is playing second best to a secular society dependence upon the power of man to solve problems Without the one true God as presented by the Church established by our Lord and Savior Jesus Christ some two thousand years ago things are headed from bad to worse The people of secular persuasion know nothing of Satan and his followers Evil has been diagnosed as good A secular government with the use of reason science and manufactured evidence has done what nonbelievers in the past have done made Man the measure of all

things The Catholic Church teaches that humanity has a fallen nature and is capable of using reason in way that produces evil results With the US government as the chief source for determining right from wrong confusion reigns and violence isn't far behind The world is in dire need of help from the God of creation Governments from all over the world seek an advantage based on corruption and fraud America has made treaties and agreements with countries out to destroy our way of life I believe American was founded as a Christian nation where unity and not diversity ought to be our common bond God is impartial so people of diverse beliefs who seek common perspectives which stress the dignity of all life from conception until natural death A woman does not have right that demean life producing inequality between women men and children including children in the womb of its mother In the United States Constitution life liberty and other benefits are being taken to extremes The meaning of life is to be protected not brought to finality by devious means Livery is more than license to do what one pleases Liberty as understood by our forefathers is more than the pursuit of pleasure but ought to see truth and goodness which is reflected in the mandates of the Christian faith Divine Providence will investigate God's will where basic tenants of faith blend with nine components that are instrumental in the understanding needed to begin the faith based journey The Catholic faith's paramount concern is the salvation of all of humanity Let us read this text with optimism for a proper outcome

Et Presence the Role of the Usa and New World Visions Renato Longato,2012-03-27 Other countries have openly announced and welcomed the ET presence When will America own up to the truth Or will it be forced under exceptional circumstances to begin a communication with our cosmic counterparts The author provides insights and historical references concerning the potential cultural impact of the extraterrestrial presence in this millennium with the USA as the leading country in the epicenter of economic social and geopolitical changes An official contact with an advanced society may bring opportunity or risk depending on how we face the challenges on our planet and most importantly within ourselves This book summarizes more than thirty years of study and research about UFOs and looks at the forthcoming possibilities

American Patroness Katherine Dugan,Karen E. Park,2024-01-02 A vital collection of interdisciplinary essays that illuminates the significance of Marian shrines and promises to teach scholars how to read them for decades to come American Patroness Marian Shrines and the Making of US Catholicism is a collection of twelve essays that examine the historical and contemporary roles of Marian shrines in US Catholicism The essays in this collection use historical ethnographic and comparative methods to explore how Catholics have used Marian devotion to make an imprint on the physical and religious landscape of the United States Using the dynamic malleability of Marian shrines as a starting place for studying US Catholicism each chapter reconsiders the American religious landscape from the perspective of a single shrine to Mary and asks What does this shrine reveal about US Catholicism and about American religion Each of the contributors in American Patroness examines why and how Marian shrines persist in the twenty first century and subsequently uses that examination to re read contemporary US Catholicism Because shrines are not neutral spaces they reflect and shape the

elastic yet strict boundaries of what counts as Catholic identity and who controls prayer practices the studies in this collection also shed light on the contested dynamics of these holy sites American Patroness demonstrates that Marian shrines continue to be places where an American Catholic identity is continuously worked on negotiations about power occur and Marian relationships are fostered and nurtured in spaces that are simultaneously public and intimate
