Sunbathing In The Rain:

Sunbathing in the rain Gwyneth Lewis, 2011 **Sunbathing in the Rain** Gwyneth Lewis, 2006-11-15

Sunbathing in the Rain is undoubtedly the best book I have ever read about one person's experience of depression. Dorothy Rowe, author of *Breaking the Bonds*, offers an upbeat, very readable and engaging view of depression as a temporary retrenchment, a breathing space in which to adjust better to life. Makes encouraging reading. *Spectator* Gwyneth Lewis writes with clarity, beauty and metaphorical precision. She conveys the darkness, the silence, the selfishness, the mental clutter of depression brilliantly. Simon Hattenstone, *Guardian*. Welsh poet Gwyneth Lewis shares her personal story of wrestling with clinical depression and describes what she learned along the way about coping with the disease. The text is aimed primarily at those who are currently depressed and are struggling to recover. The emphasis throughout is on the healing power of self-acceptance and truth-telling. This is a reprint of a book first published in London by Flamingo in 2002. www.booknews.com This might well be the Age of Depression. More people than ever now experience the disease directly or see a friend or relative succumb to it. Among their number is Gwyneth Lewis. And she set about writing this book simply because she wished something like it had existed for her when she was in the middle of her depression. Depression is assassination. The depressive is both victim and detective charged with tracking down the perpetrator of his or her own murder. By drawing on her own experience of struggling with the affliction, by highlighting ways of coping, ways of truth-telling and ways of thriving in a straightforward, robust fashion full of casual wisdom and easy wit, Gwyneth re-embarks on a journey that nearly killed her first time round and returns with this, perhaps the first truly undogmatic, undemanding, downright useful book about depression. *Giving Up Without Giving Up* Jim Green, 2019-03-07

What if the suffering that we call depression contains experiences and lessons without which we cannot be fully alive? This is one of the many startling questions that *Giving Up Without Giving Up* invites us to ask ourselves. Depression seems to be a contemporary epidemic, a condition understandably feared and avoided by all. Yet this book explores the possibility that we have much to learn from the desert times in our lives when it feels as though we are losing everything, most of all any sense of who we are. Drawing on his extensive experience of meditation within both the Buddhist and Christian contemplative traditions, as well as his own times of personal loss and bewilderment, Jim Green offers us a moving account of just how this wisdom practice can accompany each of us as we make the gentle pilgrimage of recovery. He guides us through the invention of depression in the mid-twentieth century, questioning the increasing tendency to medicalize human suffering. Based on the insight that *Life is the Treatment*, he offers a thorough and practical approach to our times of personal desolation, showing how we can learn to treat ourselves and each other with care and compassion. At the heart of this approach is the practice of meditation learned from the Buddha, The Desert Fathers and Mothers, and from Jesus himself. It's a practice which this heartfelt book insists can help you to be depressed, which might mean in mourning for exactly as long as you need to be, no longer and no shorter. Then changed, you are brought back to life, which is change itself.

Pinchbeck, Andrew Westerside, 2018-11-11 This book locates and critically theorises an emerging field of twenty first century theatre practice concerned either thematically methodologically or formally with acts of commemoration and the commemorative With notions of memorial celebration temporality and remembrance at its heart and as a timely topic for debate this book asks how theatre and performance intersects with commemorative acts or rituals in contemporary theatre and performance practice It considers the re performance of history commemoration as a form of or performance of ritual performance as memorial performance as eulogy and eulogy as performance It asks where personal acts of remembrance merge with public or political acts of remembrance where the boundary between the commemorative and the performative might lie and how it might be blurred broken or questioned It explores how we might remake the past in the present to consider not just how performance commemorates but how commemoration performs **Bones Would Rain from the Sky**
