

Mit einer grandiosen Western-Romantik inszeniert George Roy Hill (Der Golem) einen großen Kino-Hit der 1970er mit 4 Oscars® (u.a. für den Song „Butch Cassidy and the Sundance Kid“) und mehr.

Die beiden Schwestern Butch Cassidy (Paul Newman) und Sundance Kid (Robert Redford) beschließen mit ihrer Bande einen Überfall auf die Denver-Panorama-Bank aus. Der Überfall flucht rekordverdächtig in den Zug verpackt. Der erste Zug verläuft glatt, doch als die drei wieder aufbrechen, wird bereits der zweite in Zug auf ihn. Der letzte Schuss ist der Film schmerzhaft und schön. Das Verbot und unverwundliche Westernepos wird durch die USA legendär.

George Roy Hill erzählt die schicksalhafte Geschichte mit viel Humor, Leidenschaft und reiner Spannung. Paul Newman und Robert Redford waren die populärsten Stars der 1970er, ihre enge Zusammenarbeit ist erkennbar, denn sie vier Jahre später in Hills Komödie „Der Golem“ wieder gemeinsam vor der Kamera standen.

The Quick, the Dead and

the Revived Joseph Maddrey, 2016-06-22 For well more than a century Western films have embodied the United States most fundamental doctrine expansionism and depicted in a uniquely American way the archetypal battle between good and evil Westerns also depict a country defined and re defined by complex crises World War II transformed the genre as well as the nation s identity Since then Hollywood filmmakers have been fighting America s ideological wars onscreen by translating modern day politics into the timeless mythology of the Old West This book surveys the most iconic and influential Westerns examines Hollywood stars and their political stripes and reveals the familiar Western tropes which became elements in popular action science fiction and horror films This then sets the stage for the Western revival of the 1990s and a period of reinvention in the 21st century Instructors considering this book for use in a course may request an examination copy here

Bargaining for Eden Stephen Trimble, 2008-07-28 While open spaces in America are rapidly being destroyed as a result of greed hubris and neglect Stephen Trimble s *Bargaining for Eden* is a powerful call for us to more earnestly consider our solemn obligations as stewards of the Earth Combining remarkable investigative research with his skills as a poignant essayist Trimble has favored us with an extraordinary account that inspires as it challenges our values our commitment to action and our sense of connection with place community and the essence of who we are as inhabitants of this wondrous planet Rocky Anderson Former Mayor of Salt Lake City From Hetch Hetchy to Glen Canyon we mourn the sacred places in the west that have been bargained away for the American dream Stephen Trimble eloquently shows that these are not just conflicts over land but choices over which American dream we pursue as a nation What moves us to act What do we really value How shall we live together In this mature and poignant book Trimble urges passion and self awareness and reminds us that no conflict arises totally outside of oneself all of the things we fear in others may be possible in ourselves Peter Forbes Director Center for Whole Communities With this masterwork Stephen Trimble has given us the most reasoned and moving account of how and why the West becomes developed and its lands fragmented Rather than merely pointing the finger at developers or passive staffers in federal agencies he places the development issue in a larger cultural context asking us all to be full participants in the choices about how our lands and waters are ultimately managed As wise as it is heartbreaking Trimble s story challenges us to sign on to supporting a new ethics of land use in the West that will keep such tragedies from occurring so frequently in the future Gary Nabhan author of *Renewing America s*

Food Traditions and Cultures of Habitat With Bargaining for Eden Stephen Trimble has given us both a piece of dogged investigative journalism and a soul searching confessional The shocking largely unreported story of Earl Holding and the Snowbasin land swap becomes in Trimble s heartfelt prose a metaphor for the way land is used and abused in the West But Stephen doesn t stop with the expos He weaves it into a thoughtful and thought provoking reverie on man s place in an increasingly threatened landscape We are all part of the problem And he writes hopefully we can with honest effort become part of the solution Peter Shelton author of Climb to Conquer The Untold Story of WWII s 10th Mountain Division Ski Troops Make no mistake Bargaining for Eden is a brave and important book It s a page turner of a story about powerful men unspeakable wealth and Olympic gold medal mountains But it s also a Jungle in the tradition of Upton Sinclair a disturbing story of how politics and capitalism worked hand in hand against the common good and our commonweal of wildlands If we are ever to learn how to live on the land and at the same time protect its heart maybe we can start here in Trimble s beloved Utah mountains Kathleen Dean Moore author of The Pine Island Paradox

What a Man's Gotta Do Anthony Easthope,2013-06-17 What is masculinity Drawing on psychoanalysis and an understanding of ideology Easthope shows how the masculine myth forces men to try to be masculine and only masculine denying their feminine side In an original contribution to the understanding of gender he analyzes masculinity as it is represented in a wide range of mass media films television newspapers pop music and pop novels Why are two men in a John Wayne western more concerned with each other than with the women in their lives Is aggressive male banter a sign that men hate or love each other Why does a jealous man always have to see his rival Written in lively witty and accessible style What a Man s Gotta Do is certain to become controversial but essential reading

Outdoor Pursuits Programming Glenda Hanna,1991 This is an essential resource for all outdoor programming agencies and leaders Glenda Hanna examines relevant negligence law as it is applied in Canada courts of law and identifies the legally defined responsibilities of program administrators leaders and participants

The Films of George Roy Hill, rev. ed. Andrew Horton,2015-05-07 As late as 1976 George Roy Hill was the first and only director to have two all time top ten box office hits Butch Cassidy and the Sundance Kid and The Sting both starring Robert Redford and Paul Newman A filmmaker with backgrounds in music drama and television he was a popular storyteller His films reflect an ironic bittersweet vision of life The stories entertain but the subtext is often disturbing Hill felt that all of his major characters create an environment a fantasy an illusion and then go on to make it happen Individual chapters study in detail the art craft and style of each of his films including Period of Adjustment Toys in the Attic The World of Henry Orient Hawaii The Great Waldo Pepper Slap Shot Thoroughly Modern Millie Slaughterhouse Five A Little Romance The World According to Garp The

Little Drummer Girl and Hill s last Funny Farm *The Encyclopedia of Best Films* Jay Robert Nash,2019-10-23 This all inclusive A Z encyclopedia by one of the world s foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut In addition to a precis each film s entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author s private collection

Cinema Southwest John A. Murray,2000 A chronicle of movies made in the Southwest Focus On: 100 Most Popular United States National Film Registry Films Wikipedia contributors, **Run for Cover (A Sundance Western Book 12)** ,2016 The town of Bootstrap Nevada was being terrorized by a killer they called the Big Fifty Sniper Folks had a hunch it had something to do with the Lost Pistol silver mine but no one knew for sure Then Jim Sundance the half breed professional gunman rode into town He was just in time to save young Billy Mercer from a hangman s knot Furthermore he was also willing to chase the sniper down for a price There was no job too touch for Sundance if the price was right **Ski** ,1988-11

Books in Print ,1977 **Famous Animals in History and Popular Culture** Ann C. Paietta,Jean Kauppila,2023-05-02 During the First World War President Woodrow Wilson bought a flock of sheep to trim the White House grounds to save money on groundskeeping One of the sheep called Old Ike even became a public phenomenon for his ornery disposition and his penchant for chewing tobacco Included here are hundreds of well researched accounts of the fascinating animals that have played vital roles throughout history Featured animals include Able who flew on a space mission Bayou Salvador Dali s ocelot companion and G I Joe a pigeon who saved more than 100 people during World War II These and many other stories detail the unexpected contributions of our animal companions in settings of war space travel stage and screen The book is organized alphabetically by the given name of each animal and entries feature compelling factual descriptions in a storytelling format
