James Comper GRAY, 1871 *The Sunday-school World: an Encyclopaedia of Facts and Principles ... on Sunday-school Matters* James Comper Gray, 1871 *Sunday School Teachers' Magazine, and Journal of Education* , 1813 **The Sunday School Teachers' Magazine and Journal of Education** , 1830 **Sunday School Changes Everything** Dr. Henrietta C. Mears, 2016-03-11 When Dr Henrietta Mears began her ministry in Hollywood California in the 1930s she was facing several challenges Sixty percent of children at the time were not attending a church of any sort Fewer than fifteen percent of children who attended Sunday School ever made a decision to follow Jesus Youth in their early college years were walking away from faith at an unprecedented rate Church attendance across the United States was experiencing a decline instead of growth In response to the crisis Dr Mears instituted a set of principles that helped grow the Sunday School program at First Presbyterian Church of Hollywood from 450 to more than 4 000 in just three years In *Sunday School Changes Everything* you will find her fearless recommendations on how to Build your church s Christian education program both numerically and spiritually Use practical methods for training your leaders and teaching students of all stages of life Implement five ingredients of successful ministry Jesus the Bible relationships a comprehensive plan and life change Employ 10 standards of a good curriculum that will help you answer the question of what to teach **Children's Services, and Sunday Schools** Frederick Shepherd, 1873 The Sunday School Repository, Or, Teachers' Magazine , 1813 **Forming Resilient Children** Holly Catterton Allen, 2021-09-21 We can t protect children from all hardships but we can promote healthy development that fosters resilience In this interdisciplinary work Holly Catterton Allen equips educators counselors children s ministers and parents with ways of developing children s spirituality so they can persevere when facing trauma and thrive in challenging times **The Encyclopedia of Sunday Schools and Religious Education** John Thomas McFarland, Benjamin Severance Winchester, 1915 The S.-S.L., Containing ... Whittemore* William Meynell Whittemore, 1868 *Children's Prayer* Vivienne Mountain, 2016-04-11 This book provides strong arguments for giving prayer a central place in the education and nurture of children It is based on research in Australian Catholic parent controlled Christian Independent Jewish Muslim and government schools The author demonstrates focused attention and care in the data collection from the words of children and their drawings of people praying She takes us through her thorough processes of analysis and synthesis The research shows that prayer is valued by all children whether they come from a religious background or not For some children it is a way of associating with their communities and traditions of faith

For others prayer is practised in an individualistic manner Prayer is a way to perceive and respond to the experiences of life It can help in dealing with the challenging emotional states of anxiety loneliness fear anger and guilt It can give hope for the future It provides a way of seeking help for others as well as expressing praise and thanksgiving Vivienne Mountain has a background in teaching and in clinical counselling She lectures in Spirituality and Ministry with Children at Stirling Theological College University of Divinity Australia She has published three books as well as contributing chapters to a number of others and articles for national and international journals
