Williams, 2003-08-26 All will must bend to the perfect truth of The Praxis For millennia the Shaa have subjugated the universe forcing the myriad sentient races to bow to their joyless tyranny But the Shaa will soon be no more The dread empire is in its rapidly fading twilight and with its impending fall comes the promise of a new galactic order and bloody chaos A young Terran naval officer marked by his lowly birth Lt Gareth Martinez is the first to recognize the insidious plot of the Naxid the powerful warlike insectoid

The Rift Walter Jon Williams, 2015-05-02 The Rift would be a very good beach book if you could put it down long enough to get into the water The San Diego Union Tribune FRACTURE LINES PERMEATE THE CENTRAL UNITED STATES Some comprise the New Madrid fault the most dangerous earthquake zone in the world Other fracture lines are social economic religious racial and ethnic What happens when they all crack at once Caught in the disaster as cities burn and bridges tumble young Jason Adams finds himself adrift on the Mississippi with African American engineer Nick Ruford A modern day Huck and Jim they spin helplessly down the river and into the widening faults in American society encountering violence and hope compassion and despair and the primal wilderness that threatens to engulf not only them but all they love A breakout book that you ll swear the author lived SF Age I don t like disaster novels I would not have even glanced at The Rift if it weren t backed by Walter Jon Williams reputation for excellence And I definitely would not have kept reading if Williams hadn t demonstrated on every page that he deserves his reputation The result I was so engrossed in and engaged by The Rift that I forgot that I don t like disaster novels This book is an impressive achievement Stephen R Donaldson New York Times bestselling author of The Chronicles of Thomas Covenant The Rift is bloody wonderful Williams brings an historic disaster back for an encore and metaphorically flattens it again This is the stuff for which sleep is lost and awards are made Dean Ing The Rift shakes up the world like it s never been shaken before Fred Saberhagen For fans of the disaster novel Williams delivers the requisite thrills and setpieces but he also to paraphrase Conrad offers a bit of that truth for which they forgot to ask Locus
