Hunter, 2002-04-01 *Sunlight and Shadows of Human Life* Ellie May Quarles, 1913 **Sunlight on Shadows** Lama Shenpen Drolma, 2021-09 The spiritual principles and methods found in this book are at the heart of the path of the bodhisattva The bodhisattva is one who is committed to ending suffering and bringing about happiness for all beings throughout time and space This may sound like an impossible goal that has nothing to do with our daily lives But the way of the bodhisattva can be practiced by anyone anywhere at any time To the extent that we practice it we can be certain we will be of true and lasting benefit to ourselves and others We will learn how to do that in this book Everything the bodhisattva does comes from a heart of wisdom and compassion To be able to do this the bodhisattva trains their mind in bodhicitta the wisdom mind of great compassion for the purpose of increasing their positive qualities and decreasing whatever stands in the way of their being of the greatest benefit This book is concerned with how we give rise to bodhicitta how we practice stabilize deepen and ultimately realize it This training is made accessible through extensive step by step teachings questions and answers from group retreats and over 50 meditation instructions that walk the contemporary reader through the 2500 year old training of the bodhisattva *Sunlight and Shadows.
