Straight Up Hope Sheila Andrien,2008-07-18 This is a book of overcoming grace and peace through Jesus when the cards seem stacked against you When people seem mean and you have given up on being happy that would be the time to read this book We all get discouraged and the points I want to make in this book are that crabby and miserable are choices You have to decide if you want to experience life or just exist Deuteronomy is an excellent example of this After 40 years of wandering and grumbling Moses asked his people do you want to enter the Promised Land or do you want to stay in the wilderness He said I am a dying man I am imploring you to look to God and get it right This would be what I am trying to achieve through this book I want you to know that I understand grumbling complaining and hopelessness I also understand freedom in Christ and want to offer it to you James 1 2 4 Consider it pure joy my brothers whenever you face trials of many kinds because you know that the testing of your faith develops perseverance Perseverance must finish its work so that you may be mature and complete not lacking anything

A Whisper of Hope Loralyn Reynolds,2011-05-27 This story offers the reader what it so states a whisper of hope a measure of faith For ordinary people caught in a darkness they did or did not bring on themselves what is first needed is a whisper of hope They are so convinced that the darkness will never go away It may be the darkness of grief the darkness that comes from abuse and neglect the darkness that fighting disease brings the darkness of addiction the darkness of depression They need to know they are not alone The stories of hope are told through the eyes of John Krayle a retired Methodist Bishop who is writing his memoirs in tribute to his beloved wife Marti These are fictional people whom I have met time and time again in my little span of time called my life In this story set in their early years of their ministry while John was still a Baptist Preacher John and Marti strive to bring hope into the lives of the people of this community They want to make a difference And they do There is humor sprinkled here and there and a little romance but generous on the seeking of hope and the clinging to a measure of faith In no way do I mean to reflect negatively on my Baptist friends or the Baptist church and hope it is understood by my readers The setting of the story is rural southern Indiana in the late 1930s and 40s a time in which the shadow of war became a reality and the peoples of this small community as well as the rest of the nation needed more than ever the flicker of light of the whisper of hope
