Sunset Beach A Spirited Love Story:

Sunset Beach Trip Purcell,2002-05-08 For Laura Babson a seven week vacation on Sunset Beach North Carolina s southernmost beach seemed a relaxing way to escape the routines of life as a doctor s wife in a small town For sports columnist Neal Nickelsen an eight week sabbatical on the pristine barrier island promised great things for his golf game But after seeing each other for the first time in more than twenty years they soon discover this summer would be about something entirely different *The Mailbox* Marybeth Whalen,2010-06-01 Centered on a real landmark on the coast of North Carolina The Mailbox blends intriguing folklore and true faith with raw contemporary issues that affect every woman When Lindsey Adams first visits the Kindred Spirit mailbox at Sunset Beach she has no idea that twenty years later she will still be visiting the mailbox still pouring out her heart in letters that summarize the best and worst parts of her life Returning to Sunset for her first vacation since her husband left her Lindsey struggles to put her sorrow into words Memories surface of her first love Campbell and the rejection that followed When Campbell reappears in her life Lindsey must decide whether to trust in love again or guard herself from greater pain The Mailbox is a rich novel about loss hope and the beauty of second chances *Women on Waves* Jim Kempton,2021-07-06 A captivating look at two centuries of surfing the Sport of Queens from Native Hawaiian royalty to the breakout style and jaw dropping feats on the waves today Few subjects in the world of sports and or the outdoors is more timely or compelling than women s surfing From smart strong fearless women shattering records on 80 foot waves to professional athletes fighting for equal pay and a more fair and just playing field these amazing wave riding warriors provide an inspirational and aspirational cast of powerful role models for women and men across all backgrounds and generations Over the past two hundred years and especially the past five decades the surfing lifestyle have become the envy of people around the world The perception of sun sand surf strong young women and their inimitable style has created a booming lifestyle and sports industry and the sport that is set to make it s Olympic exhibition debut in Tokyo 2021 A massive shift from when colonizers tried to extinguish all traces of Native Hawaiian surfing and its sacred culture What is it about the surfing that intrigues people of all ages from all corners of the world The beaches and idyllic locations The unique style and mystique that surfers project These women on the beach and riding giant waves or in the media have made their mark on not just their sport but our wider culture Women on Waves is filled with phenomenal athletic performance breakthrough female achievements and plenty of inspiration and fun to see us through until the time when we can all hit the surf once more Spanning a millennia From Hawaii to Malibu New York to Australia South Africa to the South Pacific and beyond Jim Kempton presents a fascinating new narrative that will captivate anyone who loves sports and the outdoors **The North Carolina Historical Review** ,1998 *The Greatest Love Story Never Told* Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been

maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other
