**SUNY Downstate Medical Center** Jack E. Termine, 2000-07-10 In 1860 the nation's first college hospital was founded in Brooklyn. In 2000, on its 140th anniversary, SUNY Downstate is celebrated for its innovative teaching practices and superior instructors and equipment. Now the largest medical school in New York State, SUNY Downstate prepares about 1,500 students per year for careers in medicine, nursing, and the allied health professions. SUNY Downstate Medical Center is an incredible new volume that includes not only photographs but also announcements, bulletins, degrees, theses, and countless other memories from the last 140 years.
