New Avenues in the Study of the Old Testament

Woude, 2022-05-09 **Introduction to the Old Testament** Anthony R. Ceresko, 2001-01-01 Applying Norman Gottwald s thesis on Israel s origins Cereski argues that Israel was formed through a process of social revolution inspired by the memory of runaway slaves and their worship of a God whose cult mandated radical social equality and justice **Metathesis in the Hebrew Bible** Isaac Kalimi, 2018-01-01 This book investigates the use of literary stylistic metathesis in the Hebrew Bible By way of introduction the book first discusses the related phenomena of linguistic metathesis in which letters or sounds are unintentionally inverted during the historical development of a language and textual metathesis in which the letters of a word are accidentally inverted during the transmission of a text The discussion then moves on to the widespread use of literary stylistic metathesis in the Hebrew Bible in which two or more words that use the same letters in opposite orders are deliberately juxtaposed within a sentence This device appears in various literary genres within the Bible and in diverse forms which demonstrates that a number of biblical authors and editors used it as a compositional device for a variety of purposes whether for literary aesthetic or rhetorical effect to make a theological or exegetical point to connect or contrast particular words with one another or to emphasize a specific viewpoint The book also demonstrates that literary metathesis is not limited to the Hebrew Bible but that it also appears in post biblical Jewish Hebrew compositions such as The Wisdom of Ben Sira and the rabbinic literature This leads to the conclusion that the use of this literary tool by the rabbis in the midrashic literature is not a late artificial approach to Scripture but rather one that has deep roots in the biblical texts themselves and that continued to develop in the writings of the Second Temple period and in later Jewish writings **The Text of the Old Testament** Samuel Davidson, 2023-03-02 Reprint of the original first published in 1859 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost [Walking In Revelation](#) J.

Davidson-Elliott,2019-07-26 Do you know who you are In Walking in Revelation author J Davidson Elliott seeks to illuminate the real children of Abraham to the world The true Hebrews are not currently living in Israel but have been spread across the four corners of the Earth by the Trans Atlantic Slave Trade Today s Black Americans and Negro people who have been scattered are the remnant of the Tribes of Judah Benjamin and Levi the Biblical Hebrews God s distinct people As the end of times draws near Walking in Revelation contends that the Word of God must be fulfilled Repentance is the key to ending the captivity that Hebrews have continued to experience throughout history Daily the truth is being revealed and the identity crises suffered by Hebrews will end The Children of Abraham must seek to reestablish a loving relationship with The Most High Acceptance forgiveness prayer and asking God for understanding will also bring redemption to the Christian Church

in Its Multiple Contexts Reidar Hvalvik,2025-02-20 In this book Dominus legem dat labeled the most debated motif in early Christian art is dealt with in all its different contexts particularly Roman sarcophagi where it most often occurs In light of concurrent Roman funerary art it offers a new understanding of the function of biblical motifs on sarcophagi and a number of contemporary Christian texts are presented as a key for the interpretation of the so called traditio legis composition This first richly illustrated monograph on the motif argues that it originated in Old St Peter s Basilica substantiated by a broad discussion of its historical and theological context A catalog of all occurrences is included
