Six Problems For Don Isidro Parodi:

Six Problems for Don Isidro Parodi Jorge Luis Borges, Adolfo Bioy Casares, 1981 the first fruit of the collaboration of Borges and his long time friend Bioy Casares *Six Problems for Don Isidro Parodi* appeared originally under the pseudonym of H Bustos Domecq Bugsy's prose style is not quite the style of either of the collaborators but in this volume at least he never got out of hand as Borges complained he did later In the first story Parodi who is himself in jail for homicide is visited by a young man who seeks his help in solving a particularly baffling murder In the second story a killing takes place aboard an express train One of the characters is a writer named Gervasio Montenegro whom the discerning reader will identify as author of the book's expressive foreword In Tadeo Limardo's Victim a murdered man prepares for his own death Tai An's Long Search is a variation on Poe's The Purloined Letter In Free Will and the Commendatore a cuckold takes elaborate and invisible revenge

Six Problems for Don Isidro Parodi Borges Jorge L., 1983 **Contemporary Hispanic Crime Fiction** G. Close, 2016-04-30 This study examines representations of the cityscape and of a so called new urban violence in both detective centered and detectiveless crime fiction produced in Spanish America and Spain during recent decades It documents the emergence and permutations of this production as an index not only of local perceptions of contemporary urban experience and of a contemporary urban ecology of fear but also as a transnational index of the globalization of literary forms and markets It centers on the inscription of urban space in novels set in the metropolitan centers of the Hispanic World Mexico City Bogota Buenos Aires and Barcelona *The Literature of Spain and Latin America* J. E. Luebering Manager and Senior Editor, Literature, 2010-08-15 Provides an understanding of the events and cultural differences shaping these nations texts the lives of their writers and the impact of Spanish and Latin American literature

Borges's Creative Infidelities Leah Leone Anderson, 2024-05-16 Using comparative analyses of source and target texts Leone Anderson examines Jorge Luis Borges's residual presence in his Spanish language translations of works by James Joyce Virginia Woolf and William Faulkner Argentine writer and critic Jorge Luis Borges did not see translation as an inferior form of artistic production to be defined primarily in terms of loss or unfaithfulness but rather as a vast and rich source for literary innovation and aesthetic inquiry Borges's Creative Infidelities Translating Joyce Woolf and Faulkner explores what this view may have implied for his translations of Anglophone Modernist fiction the last two pages of James Joyce's Ulysses Virginia Woolf's A Room of One's Own and Orlando and William Faulkner's If I Forget Thee Jerusalem The Wild Palms Through full length manual comparisons of the English and Spanish texts this book reveals the ways Borges inscribed his tastes values and judgments both about the individual works and about Modernist literature in general onto his translations and how in doing so he altered the identities of their characters the ethical and rhetorical positioning of their narrators their plots and even their genres This book is driven by storytelling the stories of each text's origin and reception in English of how they ended up in Borges's hands and of his translation processes of how through his translations the texts' narratives were

made to tell new stories and of the extraordinary legacies of Borges's Spanish translations of Joyce Woolf and Faulkner

Burning Down the House Laura Cristina Fernández, Amadeo Gandolfo, Pablo Turnes, 2022-12-30 *Burning Down the House* explores the political economic and cultural landscape of 21st century Latin America through comics. It examines works from Argentina, Brazil, Bolivia, Chile, Uruguay, Peru, Colombia, Mexico, and Spain and the resurgence of comics in recent decades spurred by the ubiquity of the Internet and reminiscent of the complex political experiences and realities of the region. The volume analyses experimentations in themes and formats and how Latin American comics have become deeply plural in its inspirations, subjects, drawing styles, and political concerns while also underlining the hybrid and diverse cultures they represent. It examines the representative and historical images in a state of emergency and political upheaval, decolonial perspectives, and social struggles linked to ethnic and sexual minorities. It looks at how Latin American comics are made right now from a diverse and autochthonous Latin American perspective. With a wide array of illustrations, this book in the *Global Perspectives in Comics Studies* series will be an important resource for scholars and researchers of comic studies. Latin American studies, cultural studies, English literature, political history, and post-colonial studies.

Borges and the Literary Marketplace Nora C. Benedict, 2021-09-14 A fascinating history of Jorge Luis Borges's efforts to revolutionize and revitalize literature in Latin America. Jorge Luis Borges (1899-1986) stands out as one of the most widely regarded and inventive authors in world literature. Yet the details of his employment history throughout the early part of the twentieth century, which foreground his efforts to develop a worldly reading public, have received scant critical attention. From librarian and cataloguer to editor and publisher, this writer emerges as entrenched in the physical minutiae and social implications of the international book world. Drawing on years of archival research coupled with bibliographical analysis, this book explains how Borges's more general involvement in the publishing industry influenced not only his formation as a writer but also global book markets and reading practices in world literature. In this way, it tells the story of Borges's profound efforts to revolutionize and revitalize literature in Latin America through his varying jobs in the publishing industry.

An Inkwell of Pen Names Stephen Smith, 2006-11-20 *An Inkwell of Pen Names* tells the stories of 100 authors' pen names in a hundred short chapters. Many other authors who used pen names are discussed incidentally. Features of the compendium include pen names beginning with every letter of the alphabet, authors from twenty-five countries, the recipients of the Nobel Prize for literature who used pseudonyms, and a balanced selection of men and women authors.

Serial Crime Fiction Carolina Miranda, Jean Anderson, Barbara Pezzotti, 2016-02-12 *Serial Crime Fiction* is the first book to focus explicitly on the complexities of crime fiction seriality. Covering definitions and development of the serial form, implications of the setting and marketing of the series, it studies authors such as Doyle, Sayers, Paretsky, Ellroy, Marklund, Camilleri, Borges across print, film, and television.

The Riddle of Cantinflas Ilan Stavans, 2012-12 Ilan Stavans's collection of essays on kitsch and high art in the Americas makes a return with thirteen new colorful conversations that deliver Stavans's trademark wit and

provocative analysis *A Dream Act Deferred* discusses an issue that is at once and always topical in the dialogue of Hispanic popular culture immigration This essay generated a vociferous response when first published in *The Chronicle of Higher Education* as the issue of immigration was contested in states like Arizona and is included here as a new addition that adds a rich layer to Stavans's vibrant discourse Fitting in this reconfiguration of his analytical conversations on Hispanic popular culture is Stavans's *Arrival Notes from an Interloper* which recounts his origins as a social critic and provides the reader with interactive insight into the mind behind the matter Once again delightfully humorous and perceptive Stavans delivers an expanded collection that has the power to go even further beyond common assumptions and helps us understand Mexican popular culture and its counterparts in the United States
