Edinburgh's Festivals David Pollock, 2023-08-04 In August 1947 an migr Austrian opera impresario launched the Edinburgh International Festival of Music and Drama to heal the scars of the Second World War through a celebration of the arts At the same time a socialist theatre group from Glasgow and other amateur companies protested their exclusion from the festival by performing anyway

inventing the concept of fringe theatre Now the annual celebration known collectively as the Edinburgh Festival is the largest arts festival in the world incorporating events dedicated to theatre film art literature comedy dance jazz and even military pageantry It has launched careers from Peter Cook and Dudley Moore in *Beyond the Fringe* to Phoebe Waller Bridge with *Fleabag* mirrored the political and social mood of its times shaped the city of Edinburgh around it and welcomed a huge all star cast including Orson Welles Grace Kelly Yehudi Menuhin and Mark E Smith s *The Fall* and many many more This is its story

Highland Resistance Iain Fraser Grigor, 2014-06-17 *Highland Resistance* takes as its subject the record of land centred and by implication culture and nationality centred conflict in the Highlands of Scotland during the two and a half centuries since the Jacobite rising of 1745 The book tells the story of anti landlord agitation and direct action land raiding from the great sheep drives in Sutherland at the end of the eighteenth century on through the anti eviction resistance that characterised the worst years of the notorious Clearances and on again by way of the huge crofters agitation of the 1880s to continuing inter war raiding and reform and the last great land grab at Knoydart in the 1940s By setting this record in its context *Highland Resistance* shows its continuing political and cultural importance to our own times as Scotland and her reborn parliament enter a new century and a new millennium The principal arguments of *Highland Resistance* are that there is a long and deep anti landlord tradition in the Highlands that this tradition has been under pinned with an identity that can justly be identified as one of agrarian and cultural radicalism and nationalism and that this tradition in one form or another lives on today with a sharp and controversial resonance for the Highlands and Scotland of tomorrow
