around the World Jonathan Gruber, David A. Wise, 2008-04-15 What accounts for the striking decline in labor force participation at increasingly younger ages Social Security and Retirement around the World examines one explanation social security programs actually provide incentives for early retirement This volume houses a set of remarkable papers that present information on the social security systems and labor force participation patterns in Belgium Canada France Germany Italy Japan the Netherlands Spain Sweden the United Kingdom and the United States **Focus On: 100 Most Popular American League All-Stars** Wikipedia contributors, *Wired Wisdom* Eszter Hargittai, John Palfrey, 2025-07-09 A surprising window into the online lives of people sixty and over offering essential insights no matter your age Many popular accounts say the older you are the greater your tech struggles And it's worrying to think of loved ones emailing cringe worthy misinformation falling for phishing attacks or becoming lonelier with increasing time spent online But in their eye opening book on the internet's fastest growing demographic researchers Eszter Hargittai and John Palfrey offer a more nuanced picture debunking common myths about older adults internet use to offer hope and a necessary call to action Incorporating original interviews and survey results from thousands of people sixty and over *Wired Wisdom* shows that many in fact use technology in ways that put younger peers to shame Over sixties are often nimble online and quicker to abandon social media platforms that don't meet their needs Despite being targeted more often they also may be less likely to fall for scams than younger peers And fake news actually fools fewer people over sixty who have far more experience evaluating sources and detecting propaganda Still there are unseen risks and missed opportunities for this group Hargittai and Palfrey offer practical advice and show that our stereotypes can be hurdles that keep us from building intergenerational support communities helping loved ones adopt new technology that may improve their lives and thriving together online *An Avid's Guide to Sixties Songwriters* Peter Dunbavan, 2017-02-28 An essential reference book for sixties music lovers this encyclopedic overview includes detailed chart statistics and biographical information for eighty songwriters and covers around two thousand songs some of which are among the greatest ever written Text, Discourse and Corpora Michael Hoey, Michaela Mahlberg, Michael Stubbs, Wolfgang Teubert, 2007-09-28 Corpus linguistics is often regarded as a methodology in its own right but little attention has been given to the theoretical perspectives from which the subject can be approached The present book contributes to filling this gap Bringing together original contributions by internationally renowned authors the chapters include coverage of the lexical priming theory parole linguistics a four part model of language system and language use and the concept of local textual functions The theoretical arguments are illustrated and complemented by case studies using data from large corpora such as the BNC smaller purpose built corpora and Google searches By presenting theoretical positions in corpus linguistics *Text Discourse and Corpora* provides an essential overview for advanced undergraduate postgraduate and academic readers **The Years of Anger** Andy Croft, 2020-05-01 Randall Swingler 1909-67 was arguably the most significant and the best known radical English poet of his generation A widely

published poet playwright novelist editor and critic his work was set to music by almost all the major British composers of his time This new biography draws on extensive sources including the security services files to present the most detailed account yet of this influential poet lyricist and activist A literary entrepreneur Swingler was founder of radical paperback publishing company Fore Publications editor of Left Review and Our Time and literary editor of the Daily Worker later becoming a staff reporter until the paper was banned in 1941 In the 1930s he contributed several plays for Unity Theatre including the Mass Declamation Spain the Munich play Crisis and the revues Sandbag Follies and Get Cracking In 1936 MI5 opened a 20 year long file on him prompted by a song he co wrote with Alan Bush for a concert organised to mark the arrival of the 1934 Hunger March into London During the Second World War Swingler served in North Africa and Italy and was awarded the Military Medal for his part in the battle of Lake Comacchio His collections The Years of Anger 1946 and The God in the Cave 1950 contain arguably some of the greatest poems of the Italian campaign After the war Swingler was blacklisted by the BBC Orwell attacked him in Polemic and included him in the list of names he offered the security services in 1949 Stephen Spender vilified him in The God That Failed The book will challenge the Cold War assumptions that have excluded Swingler s life and work from standard histories of the period and should be of great interest to activists scholars and those with an interest in the history of the literary and radical left
