Sixty Saints for Boys Joan Windham,1948 **Sixty Saints for Boys** Joan Windham,1990 Examines the lives of 60 male saints of the Roman Catholic Church Sixty Saints for Boys ... With Illustrations by Mona Doneux Joan WINDHAM,1948

The Juggler of Notre Dame and the Medievalizing of Modernity Jan M. Ziolkowski,2018-10-31 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today In this volume Jan Ziolkowski follows the juggler of Notre Dame as he cavorts through new media including radio television and film becoming closely associated with Christmas and embedded in children s literature Presented with great clarity and simplicity Ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies Failing America's Faithful Kathleen Kennedy Townsend,2007-03-01 Blending inspirational memoir with a religious and political rebuke of American Christianity the oldest daughter of Senator Robert F Kennedy delivers a rousing call to arms for spiritual renewal For too long religion has been a political plaything of the right wing in this country American churches seem more concerned with what people do with their bodies than with their souls Now Kathleen Kennedy Townsend issues a spiritual call to arms to those who feel like her that today s churches Catholic and Protestant alike are failing to promote the welfare of those who depend upon them After recounting her personal story in one of the most prominent Catholic families in America she shows how America s neediest are now forgotten while their churches fight political battles against abortion rights and homosexual marriages She provides hope through powerful examples of individuals effecting change from obscure social workers to The Purpose Driven Life s Rick Warren and maintains that our individual actions can return our churches to their traditional role as shepherds to their flock *Loyola Kids Book of Saints* Amy Welborn,2011-09-29 Book of SaintsWho are the saints why are the lives of saints important for children and what can children learn from lives and actions In Loyola Kids Book of Saints the first in the Loyola Kids series best selling author Amy Welborn answers these questions with exciting and inspiring stories real life applications and important information about these heroes of the church This inspiring collection of saints stories explains how saints become saints why we honor them and how they help us even today Featuring
