Skeletons and Other Complaints Anastasia Clark, 2004-09 Sometimes in our lives we face adversity evil fear mortality Sometimes we simply aren't ready to face these challenges head on and we need a place to hide This is what *Skeletons and Other Complaints* is all about It is a collection of poems where posing as a skeleton the author could safely ponder such topics as divorce aging illness poverty addiction even madness She could contemplate them but not have to resolve them She could write about them but at bone's length *Skeletons* has been Ms Clark's safety deposit box for emotions and outcries that were overwhelming and yet had to be explored It has been her safe harbor from the realities of everyday life **GMAT**
