Slovak National Awakening

Peter Brock

Slovak National Awakening:

The Slovak National Awakening Peter Brock, 1976 *The Slovak National Awakening* Peter Brock, 1976 The Slovak National Awakening Peter Brock, 1976-12-15 The Slovaks lived under Hungarian rule for centuries with no clear sense of political separateness preserving Slovak as their spoken language but using Czech as their written language In the last decades of the 18th and the first half of the 19th centuries the efforts made by clerical intellectuals to develop a language more closely attuned to Slovak needs led to the rise of Slovak nationalism The Slovak National Awakening describes the three major stages in the development of national consciousness In the 1780s Catholic intellectuals began to write in the vernacular a Catholic priest Bernolík produced a Slovak grammar and dictionary and an influential treatise in defence of Slovak as a language separate from Czech However while Slovak ethnic distinctness was being asserted the sense of belonging to the Hungarian nation was not questioned The next steps were taken by the Protestant intelligentsia who had been pro Czech since the Reformation Influenced by German concepts of linguistic nationalism they began to assert Slovak cultural and linguistic separateness but still within the political framework of the Hungarian State The third stage in the Slovak Awakening came in the mid 1840s when a group of young Protestant intellectuals led by Ľudovít Štúr rejected their predecessors Czechoslovakism and advocated a Slovak language and a Slovak nationality In 1851 the Catholic Bernolík and the Protestant Štúr were able to agree on the language that became the basis of modern Slovak This study of the relation between language and nationalism will appeal to specialists in European history and will be of interest for the light it throws on modern separatists and anti imperialist movements The Slovak National Awakening Peter Brock, 1976 The Slovak National Awakening describes the three major stages in the development of national consciousness *Defining the Sovereign Community* Nadya Nedelsky, 2012-02-28 Though they shared a state for most of the twentieth century when the Czechs and Slovaks split in 1993 they founded their new states on different definitions of sovereignty The Czech Constitution employs a civic model founding the state in the name of the citizens of the Czech Republic while the Slovak Constitution uses the more exclusive ethnic model and speaks in the voice of the Slovak Nation Defining the Sovereign Community asks two central questions First why did the two states define sovereignty so differently Second what impact have these choices had on individual and minority rights and participation in the two states Nadya Nedelsky examines how the Czechs and Slovaks understood nationhood over the course of a century and a half and finds that their views have been remarkably resilient over time These enduring perspectives on nationhood shaped how the two states defined sovereignty after the Velvet Revolution which in turn strongly affected the status of the Hungarian minority in Slovakia and the Roma minority in the Czech Republic Neither state has secured civic equality but the nature of the discrimination against minorities differs Using the civic definition of sovereignty offers stronger support for civil and minority rights than an ethnic model does Nedelsky's conclusions challenge much analysis of the region which tends to explain ethnic politics by focusing on postcommunist

factors especially the role of opportunistic political leaders Defining the Sovereign Community instead examines the undervalued historical roots of political culture and the role of current constitutional definitions of sovereignty Looking ahead Nedelsky offers crucial evidence that nationalism may remain strong in Slovakia and the Czech Republic even in the face of democratization and EU integration and is an important threat to both

Eastern Europe Richard Frucht, 2004-12-22 A contemporary analysis of the people cultures and society within the regions that make up Eastern Europe Eastern Europe An Introduction to the People Lands and Culture sheds light on modern day life in the 16 nations comprising Eastern Europe Going beyond the history and politics already well documented in other works this unique three volume series explores the social and cultural aspects of a region often ignored in books and curricula on Western civilization The volumes are organized by geographic proximity and commonality in historical development allowing the countries to be both studied individually and juxtaposed against others in the region The first volume covers the northern tier of states the second looks at lands that were once part of the Hapsburg empire and the third examines the Balkan states Each chapter profiles a single country its geography history political development economy and culture and gives readers a glimpse of the challenges that lie ahead Vignettes on various topics of interest illuminate the unique character of each country

European Nations and Nationalism Louk Hagendoorn, György Csepeli, Russell Farnen, 2017-03-02 This rich source book informs its reader in a comparative perspective about the political and social economic past and present of fifteen Western Central and Eastern European countries This includes the economic and social aspects of the development of the nation state descriptions of the current political structures and institutions an account of the types of ethnic composition of the populations definitions of citizenship and a background to the existing political parties and preferences The countries involved are the Russian Federation Ukraine Romania Hungary Slovakia the Czech Republic Poland Germany Sweden The Netherlands Belgium Britain France Spain and Italy The authors are scholars in the fields of nationalism and ethnic conflict and they were invited to write their country chapters along the lines of a common format paying special attention to the notion of state and nation building processes citizenship definitions and minority issues This book is a comprehensive reference guide for students and scholars in the fields of social sciences European studies history and other related disciplines and generally to those who are interested in the past and present of any one of the large number of countries described

The Making of the Slovak People's Party Thomas Lorman, 2019-05-30 Winner of the BASEES George Blazyca Prize In 1945 just six years after coming to power the Slovak People's Party SLS was disbanded as a criminal organisation and its leader Jozef Tiso hanged for treason What made it possible for the SLS initially founded in 1905 by priests to represent the Catholic Slovak minority residing in the north of the Kingdom of Hungary to form an openly pro Nazi government in 1939 And what put Slovakia on the path to a fascism that would see more than 45 000 Jews deported to their deaths in 1942 To answer these questions Thomas Lorman draws on more than a decade's research in archives across the region in Hungarian Slovak and Latin and studies the party's

formative years in depth for the first time in English Lorman examines the various strands which fused to form the party and its popularity including a complex and nebulous nationalism Catholicism and a resounding mistrust of liberalism and modernity The Making of the Slovak People s Party is a vital and timely study of the genesis and success of far right movements that will be essential reading for all scholars working on 20th century Eastern European history nationalism and the interplay of religion and politics

Young Europe and the Birth of Modern Nationalism in the Slavic World Anna Procyk, 2019-10-25 Giuseppe Mazzini s Young Europe and the Birth of Modern Nationalism in the Slavic World examines the intellectual currents in Eastern Europe that attracted educated youth after the Polish Revolution of 1830 1 Focusing on the political ideas brought to the Slavic world from the West by Polish migr conspirators Anna Procyk explores the core message that the Polish revolutionaries carried a message based on the democratic principles espoused by Young Europe s founder Giuseppe Mazzini Based on archival sources as well as well documented publications in Eastern Europe this study highlights that the national awakening among the Czechs Slovaks and Galician Ukrainians was not just cultural as is typically assumed but political as well The documentary sources testify that at its inception the political nationalism in Eastern Europe founded on the humanistic ideals promoted by Mazzini was republican democratic in nature and that the clandestine groups in Eastern Europe were cooperating with one another through underground channels It was through this cooperation during the 1830s that the better educated Poles and Ukrainians in the political underground tied to Young Europe became aware that the interests of their nations bound together by the forces of history and political necessity were best served when they worked closely together

Bulgaria, Hungary, Romania, the Czech Republic, and Slovakia Britannica Educational Publishing, 2013-06-01 Bulgaria Hungary Romania the Czech Republic and Slovakia share a remarkably similar trajectory on their individual paths to becoming the nations they are today Each had ties to the Roman Byzantine and Ottoman empires in earlier times all became Eastern bloc countries in the 20th century and all successfully emerged from Communist rule in the late 20th and early 21st centuries These multi layered lands where folk traditions still exist alongside the hallmarks of modern life and the remnants of communist rule are the subjects of this sweeping tome

Decoding **Slovak National Awakening**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Slovak National Awakening Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Slovak National Awakening PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Slovak National Awakening PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Slovak National Awakening free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Slovak National Awakening Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Slovak National Awakening is one of the best book in our library for free trial. We provide copy of Slovak National Awakening in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Slovak National Awakening. Where to download Slovak National Awakening online for free? Are you looking for Slovak National Awakening PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Slovak National Awakening. This method for see exactly

what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Slovak National Awakening are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
