Southern Ladies & Gentlemen Florence King,1993-07-15 A tongue in cheek look at society in the modern South and the regional styles of behavior characteristic of members of the two sexes is updated with a new afterword

In the Wink of an Eye Kelly Cherry,2004 In the Bolivian backcountry a band of inept guerrillas begins a revolution that unexpectedly snow balls into a wildcat worldwide movement First a shady German industrialist with an obsession for big deals and big women devises a scheme to expand the revolt into all of South America Then the president of the United States embraces the overthrow as part of a vast Western Hemisphere plan When irate citizens in Tulsa New York and London get involved along with the queen mother and the pope the insurrection takes on global and even cosmic dimensions First published in 1983 Kelly Cherry's political cartoon of a novel offers a captivating cast of characters whose zany doings make an important point about the indomitable power of the human spirit to dream a better future

The Ragged Way People Fall Out of Love Elizabeth Cox,2002-09-01 Molly Hanner's marriage to William is slowly unraveling and the pulls of entropy this exerts upon them and their three children painfully instruct Molly in the many ways people barely miss loving each other But divorce is only a catalyst in Molly's life Amazed at the weight of her family's hurt and at her isolation within it Molly painter and student of astronomy shifts her gaze outward to the stars to the images she paints to the world around her looking for an order that will contain the disarray of her own life

Guest of a Sinner James Wilcox,2004-01-29 It is 22 cats that drive the dazzlingly handsome Eric Thorsen to distraction and into the apartment if not immediately the arms of Wanda Skopinski the rather mousy woman he meets at church when she thrusts a lesbian romance novel upon him The stench from downstairs drives him from both his rent controlled apartment and his complacency as a not quite successful piano teacher In his sixth novel James Wilcox moves beyond the modern South he has etched so vividly and amusingly in the past to take on Manhattan But somehow he manages to bring the city down to size The book is filled with as eccentric an array of characters and as much gentle kinkiness as any small town chronicle A winning and consistently entertaining story

Mrs. Hollingsworth's Men Padgett Powell,2002 At her kitchen table somewhere in the South Powell's narrator embarks on a spirited and often hilarious imagining of certain historical figures and current national preoccupations Ostensibly writing her grocery list Mrs Hollingsworth most happily loses her sense of herself
