Small Axe A Journal Of Criticism Number 8

Camilla Hawthorne

Small Axe A Journal Of Criticism Number 8:

The Essential Writings of Robert A. Hill Adam Ewing, 2024-02-13 Bringing together Robert A Hill's most important writings for the first time this collection serves as a testament to Hill's legacy as a pioneering scholar activist archive builder and editor who shaped the study of Garveyism and pan Africanism

Creole in the Archive Roshini Kempadoo, 2016-10-24 The image of the Caribbean figure has been reconfigured by photography from the mid 19th century onwards Initial images associated with the slave and indentured worker from the locations and legacies associated with plantation economies have been usurped by visual representations emerging from struggles for social political and cultural autonomy Contemporary visual artists engaging with the Caribbean as a 21st century globalised space have focused on visually re imagining historical material and events as memories histories and dreamscapes *Creole in the Archive* uses photographic analysis to explore portraits postcards and social documentation of the colonial worker between 1850 and 1960 and contemporary often digital visual art by post independent postcolonial Caribbean artists Drawing on Derridean ideas of the archive the book reconceptualises the Caribbean visual archive as contiguous and relational It argues that using a creolising archive practice the conjuncture of contemporary artworks historical imagery and associated locations can develop insightful new multimodal representations of Caribbean subjectivities

The Black Geographic Camilla Hawthorne, Jovan Scott Lewis, 2023-09-12 The contributors to *The Black Geographic* explore the theoretical innovations of Black Geographies scholarship and how it approaches Blackness as historically and spatially situated In studies that span from Oakland to the Alabama Black Belt to Senegal to Brazil the contributors draw on ethnography archival records digital humanities literary criticism and art to show how understanding the spatial dimensions of Black life contributes to a broader understanding of race and space They examine key sites of inquiry Black spatial imaginaries resistance to racial violence the geographies of racial capitalism and struggles over urban space Throughout the contributors demonstrate that Blackness is itself a situating and place making force even as it is shaped by spatial processes and diasporic routes Whether discussing eighteenth and nineteenth century abolitionist print records or migration and surveillance in Niger this volume demonstrates that *Black Geographies* is a mode of analyzing Blackness that fundamentally challenges the very foundations of the field of geography and its historical entwinement with colonialism enslavement and imperialism In short it marks a new step in the evolution of the field Contributors Anna Livia Brand C N E Corbin Lindsey Dillon Chiyuma Elliott Ampson Hagan Camilla Hawthorne Matthew Jordan Miller Kenyatta Jovan Scott Lewis Judith Madera Jordanna Matlon Solange Mu oz Diana Negr n Danielle Purifoy Sharita Towne

Words Made Flesh Justine Bakker, David Kline, 2025-06-03 The first sustained treatment of religion and religions in the scholarship of a prominent Caribbean thinker Sylvia Wynter is a profoundly transdisciplinary scholar whose works span an impressive array of theory literature science anthropology philosophy and religious studies as well as different forms including essays plays a novel and a 935 page unpublished manuscript entitled *Black Metamorphosis* *New Natives* in a

New World Whatever the medium Wynter frequently engages religion as a relevant category of analysis from reflections on Christianity Islam and Rastafarianism to the category and role of religion as a universal aspect of human social production Wynter s writings have received enthusiastic attention by scholars in Black studies Caribbean theory critical race theory literature and philosophy But until recently little scholarly writing exists that directly engages the topic of religion in her corpus Words Made Flesh seeks to fill this gap by focusing exclusively on religion religions and religiosity in her work Bringing together scholars that provide a wide variety of theoretical perspectives on religion political theology social theory and science studies this book offers an in depth engagement with one of the most innovative and important thinkers of the last forty years and illustrates how Wynter s writing has significant implications for the study of religion and religion s relationship to colonialism race humanism science and political theology

The Bloomsbury Handbook to Edwidge Danticat Jana Evans Braziel,Nadège T. Clitandre,2021-01-28 Edwidge Danticat s prolific body of work has established her as one of the most important voices in 21st century literary culture Across such novels as Breath Eyes Memory Farming the Bones and short story collections such as Krik Krak and most recently Everything Inside essays and writing for children the Haitian American writer has throughout her oeuvre tackled important contemporary themes including racism imperialism anti immigrant politics and sexual violence With chapters written by leading and emerging international scholars this is the most up to date and in depth reference guide to 21st century scholarship on Edwidge Danticat s work The Bloomsbury Handbook to Edwidge Danticat covers such topics as The full range of Danticat s writing from her novels and short stories to essays life writing and writing for children and young adults Major interdisciplinary scholarly perspectives including from establishing fields fields of literary studies Caribbean Studies Political Science Latin American Studies feminist and gender studies African Diaspora Studies and emerging fields such as Environmental Studies Danticat s literary sources and influences from Haitian authors such as Marie Chauvet Jacques Roumain and Jacques St phen Alexis to African American authors like Zora Neale Hurston Toni Morrison and Caribbean American writers Audre Lorde to Paule Marshall Known and unknown Historical moments in experiences of slavery and imperialism the consequence of internal and external migration and the formation of diasporic communities The book also includes a comprehensive bibliography of Danticat s work and key works of secondary criticism and an interview with the author as well as and essays by Danticat herself

Tarell Alvin McCraney Sharrell D. Lockett,David Román,Isaiah Matthew Wooden,2020-06-15 This is the first book to dedicate scholarly attention to the work of Tarell Alvin McCraney one of the most significant writers and theater makers of the twenty first century Featuring essays interviews and commentaries by scholars and artists who span generations geographies and areas of interest the volume examines McCraney s theatrical imagination his singular writerly voice his incisive cultural critiques his stylistic and formal creativity and his distinct personal and professional trajectories Contributors consider McCraney s innovations as a playwright adapter director performer teacher and collaborator bringing fresh and diverse perspectives to their observations

and analyses In so doing they expand and enrich the conversations on his much celebrated and deeply resonant body of work which includes the plays *Choir Boy* *Head of Passes* *Ms Blakk for President* *The Breach* *Wig Out* and the critically acclaimed trilogy *The Brother Sister Plays* *In the Red and Brown Water* *The Brothers Size* and *Marcus Or the Secret of Sweet* as well as the Oscar Award winning film *Moonlight* which was based on his play *In Moonlight* *Black Boys Look Blue* *The Palgrave Handbook of Queer and Trans Feminisms in Contemporary Performance* Tiina Rosenberg, Sandra D'Urso, Anna Renée Winget, 2021-09-21 The purpose of this Handbook is to provide students with an overview of key developments in queer and trans feminist theories and their significance to the field of contemporary performance studies It presents new insights highlighting the ways in which rigid or punishing notions of gender sexuality and race continue to flourish in systems of knowledge faith and power which are relevant to a new generation of queer and trans feminist performers today The guiding question for the Handbook is How do queer and trans feminist theories enhance our understanding of developments in feminist performance today and will this discussion give rise to new ways of theorizing contemporary performance As such the volume will survey a new generation of performers and theorists as well as senior scholars who engage and redefine the limits of performance The chapters will demonstrate how intersectional queer and trans feminist theoretical tools support new analyses of performance with a global focus The primary audience will be students of theatre performance studies as well as queer gender studies The volume's contents suggest close links between the formation of queer feminist identities alongside recent key political developments with transnational resonances Furthermore the emergence of new queer and trans feminist epistemologies prompts a reorientation regarding performance and identities in a 21st century context

Routledge Handbook of Caribbean Studies Patricia Noxolo, Kevon Rhiney, Ronald Cummings, 2025-04-02 The Routledge Handbook of Caribbean Studies provides a critical collection of world class scholarship about this fascinating diverse and dynamic region Bringing together new and established voices on the Anglophone Francophone Spanish speaking and Dutch speaking Caribbean the handbook explores the cultural and historical shapes and reach of the region as well as the environmental climatic and geo political challenges that it faces in the 21st century Each of its four parts Environment Geo politics History and Culture explores the region's conceptual and material entanglements and disentanglements its transnational and transregional connections and disconnections and its historical wakes and posts The Routledge Handbook of Caribbean Studies is essential reading for all who want to know more about this much studied but often misrepresented and misunderstood region The Elsewhere Is Black Marisa Solomon, 2025-08-22 Tracing the flow of trash and waste from Brooklyn's poor Black neighborhood of Bedford Stuyvesant to the post plantation towns of Virginia's Tidewater Marisa Solomon examines how waste is a mundane part of poor Black survival and a condition of racial capitalism **Queer Freedom : Black Sovereignty** Ana-Maurine Lara, 2020-11-01 2021 CHOICE Outstanding Academic Title Winner of the 2021 Gregory Bateson Book Prize presented by the Society for Cultural Anthropology Winner of the 2020 Ruth Benedict Prize

presented by the Association for Queer Anthropology Theoretically wide ranging and deeply personal and poetic Queer Freedom Black Sovereignty is based on more than three years of fieldwork in the Dominican Republic Ana Maurine Lara draws on her engagement in traditional ceremonies observations of national Catholic celebrations and interviews with activists from peasant feminist and LGBT communities to reframe contemporary conversations about queerness and blackness The result is a rich ethnography of the ways criollo spiritual practices challenge gender and racial binaries and manifest what Lara characterizes as a shared desire for decolonization Queer Freedom Black Sovereignty is also a ceremonial ofrenda or offering in its own right At its heart is a fundamental question How can we enable queer black life in all its forms and what would it mean to be free sovereign in the twenty first century Calling on the reader to join her in exploring possible answers Lara maintains that the analogy between these terms queerness and blackness freedom and sovereignty is necessarily incomplete and unresolved to be determined only by ongoing processes of embodied relational knowledge production Queer Freedom Black Sovereignty thus follows figures such as Sylvia Wynter Mar a Lugones M Jacqui Alexander douard Glissant Mark Rifkin Gloria Anzald a and Audre Lorde in working to theorize a potential roadmap to decolonization
