Smiles of Smiles With Poetry Mae Elms, 2000-01-01 *Smiles... for Miles and Miles* Jacqueline Saleem Taylor, 2019-01-23 Smiles for Miles and Miles is an awakening of joy It opens the heart to a burst of smiles from simple everyday life There are plenty of reasons to smile and they are often found just around the corner Discover your own joyful times and pass the smiles along **Smiles Poems...Thoughts to Ponder** Stephen Paul Tolmie, 2012-02 The Tree of Life The tree of life is so like man ever stretching to the skies It s branches ever reaching upwards as though to heaven above Like man s quest here on earth to reach for that high unknown The tree requires the staples of life for its very existence here But man in his slight wisdom knows these details all too clear The tree roots securely planted are not allowed to roam But man s feet here on earth Have mobility all their own Unlike the tree man does possess a single separate entity A brain you see though seldom used a total shame indeed The tree of life depends on man for its daily life s survival Man depends on his own life s skills to hopefully see his tomorrow Which is a sad virtue for his thinking process is not always clear He makes good and bad decisions its effects are not yet known Man should take his life s lessons from the tree of life pursuit As our single life s true purpose to reach for heaven above As the tree stretches forth its limbs ever skyward in its growth We should heed this very lesson and praise the Lord above For all that He has done for mankind and this our earth as well Miles of Smiles Bruce Lansky, 2013-07 Thousands of elementary school students helped Bruce Lansky pick poems by Shel Silverstein Jack Prelutsky Jeff Moss Bruce Lansky and other popular poets for Miles of Smiles Coupled with Stephen Carpenter s hilarious illustrations kids will find a smile on every page of this book What a Riot Miles of Smiles will have you falling out of your chair laughing It s the world s funniest collection of children s poetry Kenn Nesbitt author of The Aliens Have Landed Bruce Lansky s poetry books are so funny we can t keep them in the library Lynette Townsend Librarian Laguna Hills California The Waddle Family, a Story of Olden Times John Close, 1868 My Eyes Smile Priscilla M. Howe, 1855 **The Prose and Poetry of Ireland** John O'Kane Murray, 1878 Dante's Persons Heather Webb, 2016-05-06 Dante s Persons explores the concept of personhood as it appears in Dante s Commedia and seeks out the constituent ethical modes that the poem presents as necessary for attaining a fullness of persona The study suggests that Dante presents a vision of transhuman potentiality in which the human person is after death fully integrated into co presence with other individuals in a network of relations based on mutual recognition and interpersonal attention The Commedia Heather Webb argues aims to depict and to actively construct a transmortal community in which the plenitude of each individual s person is realized in and through recognition of the personhood of other individuals who constitute that community whether living or dead Webb focuses on the strategies the Commedia

employs to call us to collaborate in the mutual construction of persons As we engage with the dead that inhabit its pages we continue to maintain the personhood of those dead Webb investigates Dante s implicit and explicit appeals to his readers to act in relation to the characters in his otherworlds as if they were persons Moving through the various encounters of Purgatorio and Paradiso this study documents the ways in which characters are presented as persone in development or in a state of plenitude through attention to the corporeal modes of smiles gazes gestures and postures Dante s journey provides a model for the formation and maintenance of a network of personal attachments attachments that as constitutive of persona are not superseded even in the presence of the direct vision of God

The Smile & Other Poems Rudy Thomas,2008-03 Poetry can be sensuous but not every poet can be sensuous and impassioned The poetry in this volume is both sensuous and impassioned The poetry in this volume emerges from a smile a dream a memory fire and snow Rudy Thomas is impassioned enough to turn over stones along Old Seventy Creek and share the things he discovers beneath them as poetry
