

Behind every woman is an essence.
Something you can't touch, hold, copy, or recreate.

It's her.

An essence unique to her.

Call it spirit or energy if you like.

It's the spark that fuels the fire, burning heat
Which radiates from every cell of her.

It comes out when she's fired up or makes a stand for something.

It's soft - don't get me wrong,

But for so long, we've been tricked

To see women as weak or shy, when, in fact, her essence says it all.

There's not an ounce of weakness in her breath.

She's pure power, with every ounce of knowing, like a wise sage ready
to step in.

Watch her; she has a voice, and she'll use it forcefully.

Critical Studies in the Cynewulf Group Claes Schaar, Poems, Plays, and "The Briton" Tobias Smollett, 2014 The poems plays and political writings in this volume are essential to an understanding of Smollett and the literary and social currents of eighteenth century England In his introductions to the sections Gassman traces the history of their publication and reception and provides extensive explanations of historical and literary allusions **Lund Studies in English**, 1949

The Poetry of Raymond Carver Sandra Lee Kleppe, 2016-02-24 Best known as one of the great short story writers of the twentieth century Raymond Carver also published several volumes of poetry and considered himself as much a poet as a fiction writer Sandra Lee Kleppe combines comparative analysis with an in depth examination of Carver s poems making a case for the quality of Carver s poetic output and showing the central role Carver s pursuit of poetry played in his career as a writer Carver constructed his own organic literary system of autopoetics a concept connected to a paradigm shift in our understanding of the inter relatedness of biological and cultural systems This idea is seen as informing Carver s entire production and a distinguishing feature of Kleppe s book is its contextualization of Carver s poetry within the complex literary and scientific systems that influenced his development as a writer Kleppe addresses the common themes and intertextual links between Carver s poetry and short story careers situates Carver s poetry within the love poem tradition explores the connections between neurology and poetic memories and examines Carver s use of the elegy genre within the context of his terminal illness Tellingly Carver s poetry which has aroused slight interest among literary scholars is frequently taught to medical students This testimony to the interdisciplinary implications of Carver s work suggests the appropriateness of Kleppe s culminating discussion of Carver s work as a bridge between the fields of literature and medicine
