

CRIME & Delinquency

Special Issue: Terrorism & Violent Extremism

Guest Editor: Jared R. Dmello

Sociology Of Crime And Delinquency

Donald Ray Cressey

Sociology Of Crime And Delinquency:

The Sociology of Crime and Delinquency Marvin Eugene Wolfgang, 1962 **The Sociology of Crime and Delinquency** Marvin E. Wolfgang, Leonard D. Savitz, Norman Bruce Johnston, 1970 **The Sociology of Crime and Delinquency** Marvin E. Wolfgang, 1967 **Sociological Aspects of Crime and Delinquency (Routledge Revivals)** Michael Phillipson, 2014-10-14 The field of crime and delinquency attracts a great deal of heated and partial opinion prejudice and other forms of mal thinking When there is a scientific approach there tends to be a psychological explanation This book first published in 1971 is a corrective to both trends It is a discussion of criminal behaviour in relation to a wide range of behaviours which could be called deviance and regards the whole field from the sociological point of view The whole discussion is related to social policy and is vital reading for students of sociology and criminology **Sociological Aspects of Crime and Delinquency** Michael Phillipson, 1971 **Understanding Crime and Delinquency** Michael Phillipson, 1974 **Delinquency and Society** James F. Short, 1990 *A Primer in the Sociology of Crime* S. Giora Shoham, John P. Hoffmann, 1991 An English language adaptation of a Hebrew textbook introduces theories of crime and delinquency drawn from sociology Chapter topics include criminology and social deviance theoretical and methodological issues in criminology ecological theories strain theories differential association and learning theories control theories social reactions to crime conflict and radical perspectives on crime and recent developments Sociology of Delinquency Gary F. Jensen, American Society of Criminology, 1981-09 **Theories of Delinquency** Donald J. Shoemaker, 2018 Theories of Delinquency is a comprehensive survey of the theoretical approaches towards understanding delinquent behavior It includes discussions and evaluations of all major individualistic and sociological theories presenting each theory in a standard format with basic assumptions important concepts and critical evaluations of the relevant research Juvenile Delinquency William E. Thompson, Jack E. Bynum, 2016-07-20 This sophomore junior level core text is intended for the juvenile delinquency course taught in criminal justice criminology and sociology departments at both four year and two year institutions Taking a sociological approach this text discusses delinquency as it relates to and emerges from the youth s family neighborhood school peer group social class and overall cultural and social environment The author incorporates contributions from sociologists psychologists social workers criminologists and other specialists who have sought to understand explain control and prevent juvenile delinquency **Delinquency, Crime and Differential Association** Donald Ray Cressey, 2012-12-06 This is a book about Edwin H Sutherland s theory of differential association I received my Ph D from Indiana University where I worked with Sutherland and the volume is made up principally of my writings on differential association during the years 1952 1963 However the volume is neither a festschrift nor a book of reprints The original materials have in most cases been quite severely edited in order to give the volume coherence and in order to minimize repetition and redundancy For example portions of one journal article appear in Chapters I IV and V parts of a chapter published in a recent book appear in

Chapters I II and III and Chapter IX is composed of two inter related articles published eight years apart Chapter I has not appeared elsewhere in its present form but most of it consists of snippets culled from several of my articles and books and woven together in new form The book is intended primarily for non American readers who on the whole are not as familiar with Sutherland s theory or with other sociological and social psychological theories about delinquency crime and corrections as are Americans Yet at least a nodding acquaintance with Sutherland s work is becoming increasingly necessary to an intelligent reading of the American literature in criminology

Sociology of Crime Joseph Slabey Rouček,1961 Symposium on the scientific approach to criminal and deviate behavior with contributions from univeristy specialists educators and police department officials

Crime and Delinquency Carl A. Bersani,1970

Companions in Crime Mark Warr,2002-02-18 Criminologists often allude to peer influence in explanations of crime and delinquency but the meaning of that concept rarely receives careful attention Companions in Crime organizes the extensive literature on peer influence and group delinquency into a coherent form for the first time Chapters focus on the role of peers over the life course the group nature of delinquent behavior and the applicability of peer influence for explaining the major features of delinquent behavior The most extensive chapter of the book examines possible mechanisms of peer influence and the evidence in favor of each The principal thesis of Companions in Crime is that deviant behavior is predominantly social behavior and criminologists must eventually determine the significance of that fact

Social Learning Theory and the Explanation of Crime Ronald L. Akers,Gary F. Jensen,2017-07-28 Social learning theory has been called the dominant theory of crime and delinquency in the United States yet it is often misrepresented This latest volume in the distinguished Advances in Criminological Theory series explores the impact of this theory Some equate it with differential association theory Others depict it as little more than a micro level appendage to cultural deviance theories There have been earlier attempts to clarify the theory s unique features in comparison to other theories and others have applied it to broader issues These efforts are extended in this volume which focuses on developing applying and testing the theory on a variety of criminal and delinquent behavior It applies the theory to treatment and prevention moving social learning into a global context for the twenty first century This comprehensive volume includes the latest work tests and theoretical advances in social learning theory and will be particularly helpful to criminologists sociologists and psychologists It may also be of interest to those concerned with current issues relating to delinquency drug use abuse and drinking alcohol abuse

Crime and Delinquency Richard A. Aborisade,2016

An Introduction to the Sociology of Juvenile Delinquency David Musick,1995-02-01 This is a challenging book that makes no attempts to oversimplify and trivialize the highly complex subject of juvenile delinquency Its approach is both conceptual and historical It includes information not only about delinquents but also about other types of problem children By doing so the broader social environment of delinquency is better understood and delinquency can be put into a more general conceptual context Fundamental concepts interpretive perspectives and methodologies that are used to describe and analyze juvenile

delinquency and related children's problems are presented *Criminological Controversies* John L Hagan, 2018-02-19 This book is about how to study crime. It addresses the controversies in crime as a means of developing answers and of contributing to the resolution of disputes and as a means of introducing and explaining basic methods of a social science of crime Crime and Society Frances Heidensohn, 1989-02-13 *Crime and Society* is a comprehensive review of the sociological study of crime and the relationship between crime and society that combines theoretical analysis with up to date empirical surveys. Covering the major issues and concepts: urban crime, juvenile delinquency, corporate crime, this textbook also considers more recent concerns about victims, fear of crime, policing and control.

When people should go to the books stores, search introduction by shop, shelf by shelf, it is in point of fact problematic. This is why we present the books compilations in this website. It will categorically ease you to see guide **Sociology Of Crime And Delinquency** as you such as.
