Kunkel, This book is designed to honor George Caspar Homans for his many and varied contributions to the development of modern sociology The chapters have been written by sociologists and psychologists who value his work sufficiently to have made his basic approach their own These original essays are intended to elucidate assess and give a progress report on the theoretical tradition Homans founded and to which he has given such significant impetus

The Use and Abuse of Social Science Irving Louis Horowitz,1975-01-01 **Institutional Change and Power Asymmetry in the Context of Rural India** Amar Patnaik,2018-10-08 This book explains how to bring about institutional change and foster new institutional structures institution building by resolving power inequities in a rural ecosystem in India and advocates the identification of an appropriate institutional champion to make this happen The book develops a power asymmetry based framework and argues that a champion with the right attributes and the ability to convene people over a social issue can only succeed if he she can resolve or reduce the deep rooted societal power asymmetries within that community It also presents four case studies that indicate how such social change is typically spread over a long period of time Deviant Behaviour Clifton D. Bryant,2014-09-03 A comprehensive set of readings examining the full range of concerns in the field of deviant behaviour All the selections are relatively recent and have not appeared in other anthologies

Sociology CN Shankar Rao,2012 This textbook has been comprehensively written to acquaint the students with the fundamental concepts of sociology as well as provide an introduction to the diverse field of sociology Students will be introduced to the origins of sociology as a discipline and would get acquainted with relevant topics such as inequality institutions control change disorganisation problems in the society Topics such as applied sociology and social thought have also been provided to give a complete overview of the subject This textbook not only caters as a primary text to the undergraduate students of Sociology but is also a useful reference for postgraduate students and aspirants appearing for various competitive examinations **BEYOND OUR IMAGINATIONS** Simi Afonja,2022-06-17 Beyond our Imaginations African Women s Realities is the product of dialogues on Gender and Feminism in the region of Africa It is the first in the series Feminism Visions of Society The book provides a balanced review of Western and West African theories and of participatory methodologies paying particular attention to the exclusion of grassroots feminism from the growing body of knowledge and action It builds on existing essentialist theorizing without disregarding the overlaps with feminism in other

cultures Cultural knowledge is extended in discussions of grassroots women's loss of power and voice through changing gender images the declining culture of the Deification of Motherhood Women's Leadership in Modern Markets Female Traditional Rulership and Women's Influence in Community Development and Peace Building This book helps to understand why too often there are gaps between theory and the policies designed to improve African Women's lives There is also a repertoire of qualitative data about feminist practices and strategies at the household level in the workplace and the political domains as part of the patriarchal bargain in African cultures While the collection celebrates the importance of the imagination in building feminist knowledge it takes a more cautionary stand calls for methodological flexibility and sophistication as African scholars expand feminist knowledge
