Hanemaayer, Christopher J. Schneider, 2014-05-10 In 2004 Michael Burawoy challenged sociologists to move beyond the ivory tower and into the realm of activism to engage in public discourses about what society could or should be His call to arms sparked intense debate among sociologists Which side would sociology take Would public sociology speak for all sociologists In this volume which opens with a foreword by Michael Burawoy leading Canadian sociologists continue the conversation by discussing not only how and why they should do sociology but also how ethical judgments influence sociological practice and the evaluation of research Most importantly they ask whether and under what circumstances sociologists should advocate for social change Regardless of whether they focus on activism research theory or teaching the contributors offer insights into where the discipline is heading and why it matters to people inside and outside the university **Towards a Critical**

Sociology of Reading Pedagogy Carolyn Baker, Allan Luke, 1991-06-28 Through critical sociological appraisals of literary theory research and pedagogy this volume presents challenges to dominant psychological approaches in reading research and to mainstream discourses about reading and writing pedagogy Bringing together the recent work of literacy researchers in Australia Europe and North America the volume offers novel critiques and theorisations from within political economy neomarxist and critical theory ethnomethodology interactive sociolinguistics poststructuralism and postmodernism The volume is arranged in four sections The Politics of Pedagogy Reading in Classrooms Reconstructing Theory Reading the Social This collection is provocative and innovative offering clear alternatives for conceptualising literacy for conducting literacy research and for reconstructing the discourses and practices of reading and writing in schools The volume is addressed to a broad audience of researchers educators and students Readings in Sociology to Accompany An

Introduction to Sociology Jerome Davis, Harry Elmer Barnes, 1927 Reading Max Weber's Sociology of Law Hubert Treiber, 2020-08-20 Reading Max Weber's Sociology of Law serves both as an introduction and as a distillation of more than thirty years of reading and reflection on Weber's scholarship It provides a solid and comprehensive introduction to Weber and sets out his main concepts Drawing on recent research in the history of law this book also presents and critiques the process by which the law was rationalized and which Weber divided into four ideal typical stages of development Hubert Treiber provides commentary in a manner informed both historically and sociologically The book explores Weber's concepts in relation to the creation of laws between secular the religious powers The book goes on to examine the codifications that were undertaken by Prussian absolutism and Napoleon in the Code Civil It further covers Weber's thoughts on antiformal legal tendencies issues that are still prevalent in law today This text is no mere reiteration of Weber's concepts The volume

contextualizes Weber's work in the light of current research setting out to amend misinterpretations and misunderstandings that have prevailed from Weber's original texts Treiber's introduction is much more than a simple guide through a complicated text It is an important work in its own right and critical for any student of the sociology of law Sociology
