Sociology For People Toward A Caring Profession

Jo Cunningham, Steve Cunningham

Sociology For People Toward A Caring Profession:

Sociology For People Alfred McClung Lee, 1988-08

Marginality and Dissent in Twentieth-Century American

Sociology John F. Galliher, James M. Galliher, 1995-07-01 This book is a biography of the husband and wife team that is largely responsible for developing social problems and social deviance as areas of research. Politics in the discipline of sociology is also examined.

Notable American Unitarians 1936-1961 Herbert Vetter, 2007-06-01 Concise biographies of over 100 American Unitarians 1936-1961.

Service Sociology and Academic Engagement in Social Problems A. Javier Treviño, Karen M. McCormack, 2016-04-01 This book challenges sociologists and sociology students to think beyond the construction of social problems to tackle a central question: What do sociologists do with the analytic tools and academic skills afforded by their discipline to respond to social problems? Service Sociology posits that a central role of sociology is not simply to analyse and interpret social problems but to act in the world in an informed manner to ameliorate suffering and address the structural causes of these problems. This volume provides a unique contribution to this approach to sociology, exploring the intersection between its role as an academic discipline and its practice in the service of communities and people. With both contemporary and historical analyses, the book traces the legacy, characteristics, contours, and goals of the sociology of service, shedding light on its roots in early American sociology and its deep connections to activism. Before examining the social context that underlies the call for volunteerism, community involvement, and non-profit organisations, as well as the strategies that have promise in remedying contemporary social problems, the book presents examples of concrete social problems from around the world, including issues of democratic participation, poverty, and unemployment, student involvement in microlending, disaster mitigation, the organization and leadership of social movements, homelessness, activism around HIV/AIDS, and service spring breaks. Service Sociology and Academic Engagement in Social Problems explores the utility of public teaching, participatory action research, and service learning in the classroom as a contribution to the community.

Beyond Bauman Michael Hviid Jacobsen, 2016-10-26 Bringing together leading interpreters of Zygmunt Bauman's sociology, this volume thinks with and beyond Bauman's work in order to show its continued relevance as a theory in its own right, as an object of criticism, and as a stepping stone towards a fuller understanding of contemporary society. The volume deals with some proposed omissions and absences in Bauman's sociology, with chapters comparing Bauman's ideas to those of other prominent social thinkers, as well as chapters devoted to teasing out some problems and pitfalls in his work. Paying attention to central concepts and themes of Bauman's thought, authors engage with various aspects of his work, considering potential deficiencies in his ethical perspective, his neglect of the religious dimensions of modernity, his lack of consideration for ethnicity and gender, his overlooking the importance of socialisation in liquid modernity, and his problematic argument for individual choice and freedom in a world that is increasingly closed down by consumer capitalism. Beyond Bauman aspires to show that despite Bauman's status as a key sociological thinker, there are also certain deficiencies in his work that demand

critical discussion It will be of use to scholars of sociology contemporary society social theory and modernity **Global Citizenship and Social Movements** Janet McIntyre,2003-09-02 In this book Janet McIntyre addresses the need for transcultural thinking tools to not only mend problems in the global environment but also to understand the essential nature of the problems Thinking tools comprise the analytical concepts which organise disorganise pattern and question thoughts about the social and natural world Specifically the concepts introduced in this book are global citizenship human rights responsibility social movements and transcultural webs of meaning *Sociology for Health Professionals* Lani Russell,2013-11-28 Sociology is a key topic for all trainee health professionals but many struggle to see what sociology has to offer Based on years of experience teaching sociology to healthcare students Lani Russell has written a truly introductory text which explains the main sociological concepts without jargon or becoming too advanced Using carefully chosen examples she shows how health issues are influenced by social phenomena such as class race or sexuality and the relevance this has for practitioners The book includes The main sociological concepts relevant to healthcare students Examples linking sociological concepts and major health topics Exercises to test students understanding Glossaries of key terms and key theorists Advice on further reading A full companion website with teaching materials for lecturers and learning resources for students This is the ideal text to recommend to students who need an accessible introduction to the sociology of health and illness SAGE Readings for Social Problems Benjamin Drury,2021-02-02 SAGE Readings for Social Problems is a convenient and economical option for instructors who want to introduce students to scholarly literature in their social problems courses It contains 16 short readings on topics covered in typical courses including economic inequality race gender crime substance abuse education health medicine the environment family and the social construction of social problems The articles in this collection were all chosen because they are accessible to undergraduate avoid complicated statistical analysis and demonstrate the range of methodological approaches to studying social problems Marriage and Family Therapy Terry S Trepper,Roger A Straus,Faye Hurvitz,2014-05-12 Marriage and Family Therapy A Sociocognitive Approach is a comprehensive and clearly written introduction to sociocognitive therapy It is rich with transcripts and case examples culled from the authors more than thirty five years of practice providing you with valuable background information on helping difficult to reach and hard to help populations In practical language this volume takes you step by step through methods of assessment and change that are useful in traditional and nontraditional families and couples With clear language and taxonomy for family troubles and their resolution Marriage and Family Therapy provides conceptual handles to guide you in learning intervention strategies enabling you to work effectively with most notably lower working class and poor inner city African American families A highlight of the book is the detailed look at terminal and instrumental interaction hypotheses and how they can be applied in actual therapy situations With Marriage and Family Therapy as a guide you will develop multiple skills and methods that equip you to better handle the challenging task of helping troubled families and couples The first two

chapters present the theoretical framework of the sociocognitive approach In the third chapter the assessment and change concepts central to Dr Hurvitz s approach are introduced The last four chapters show how these humanist principles are applied through the phases of opening change producing and termination in therapy creating an invaluable book for marriage and family therapists social workers psychologists and educators *Researching Social Problems* Amir Marvasti,A. Javier Treviño,2019-06-11 This book covers a wide range of contemporary methods for researching social problems and connects these approaches to the broader substance and theories of social problems Expository and discursive in approach chapters follow a uniform structure with each offering research examples and a broad description of the related method and its theoretical context together with a how to guide for applying that method using substantive examples from the field of social problems For every method explored there is a research example that fully reviews and illustrates the application of the particular method before giving a full assessment of the method s strengths and weaknesses and latest developments With chapters exploring survey interviews in depth interviews narrative inquiry institutional ethnography participatory action research auto ethnography Actor Network Theory experimental research visual research methods and research ethics *Researching Social Problems* will appeal to scholars and students of sociology and politics working in the fields of research methods and social problems **American Communication Research** Everette E. Dennis, Ellen Wartella, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **Clinical Sociology Review** ,1989

South African Sociological Review ,1989 *Towards Professional Wisdom* Liz Bondi,2011 People professions such as social work teaching nursing ministry and counselling are at heart ethical or moral enterprises Much recent theorizing has been concerned to show that effective professional deliberation and judgement cannot be reduced either to technical rationality or to simple obedience to general occupational procedures or prescriptions Professional judgement would seem to require the development of a distinctive mode of practical ethical reflection or wisdom perhaps along the lines of Aristotle s phronesis or practical wisdom Reflection is required to address s **Popular Is Not Enough: The Political Voice Of Joan Baez** Markus Jaeger,2010-04-01 In his study Markus Jaeger explores the coalescence of Joan Baez s work as a singer and songwriter with her endeavors as a political activist throughout the last fifty years He illustrates an American popular singer s significance as a political activist for her audiences and for her opponents as well as for those victims of politically organized violence who have profited from her work Mingling popular culture with political activism can be a helpful means to achieve non violent societal progress Joan Baez s work offers an excellent example for this hypothesis **Systemic Governance and Accountability** Janet McIntyre-Mills,2008-01-16 The book makes a plea for systemic governance It follows a practical approach including case studies and conceptual tools Policy makers and managers need to work with rather than within theoretical and methodological frameworks The closest we can get to truth is through compassionate dialogue that explores paradoxes and considers the rights and responsibilities of caretakers *Creative Self-Hypnosis* Roger A.

Straus,2000-04 DE HYPNOTIZE YOURSELF AND EMPOWER YOUR LIFE WORK AND RELATIONSHIPS We are all victims of post natal suggestion By learning how to use your thoughts feelings and imagination through the dramatic new approach to self hypnosis presented for the first time in this book you can become more fully alive and make your life and yourself what you want them to be Grounded in state of the art clinical sociology this wide awake approach to self hypnosis enables you to use your creative imagination to redirect and empower all areas of your life without having to put yourself in a trance Rather you will learn how to free yourself from the trance of everyday life limitations and misconceptions Teaching you how to be your own life change consultant this book gives you practical techniques you can use to get what you want out of your life your work and your relationships It provides a training program for self empowerment with detailed exercises techniques and tactics that you can use anywhere any time in any situation This very useful book shows the readers step by step how to live more fully by combining modern alert self hypnosis with advanced principles of social psychology I highly recommend it for all who wish to enhance their task performance their social relationships and their life enjoyment Theodore X Barber Ph D Director Biomedical Research Foundation Author of Hypnosis Imagination and Human Potentialities Sociology and Social Work Jo Cunningham,Steve Cunningham,2008-03-17 Sociological perspectives and their application to social work are an inherent part of the QAA benchmark statements in the social work degree In addition graduates must understand how sociological perspectives can be used to dissect societal and structural influences on human behaviour at individual group and community levels This title answers the need for a clear core text which integrates the areas of sociology and social work Carefully constructed to be accessible to beginners in the discipline it links sociological concepts debates and theories to subject benchmarks social work occupational standards and codes of practice Rescuing the Enlightenment from Itself Janet McIntyre-Mills,2005-12-27 Rescuing the Enlightenment from Itself Critical and Systemic Implications for Democracy presents papers that make the case that good governance is about thinking and practice that can lead to a better balance of social cultural political economic and environmental concerns to ensure a sustainable future for ourselves and for future generations The work is inspired by the thinking of C West Churchman and forms the first volume in a new series C West Churchman s Legacy and Related Works The book features contributions from a range of invited authors including Russell L Ackoff Ken Bausch John van Gigch and Norma Romm The volume is aimed at academics post graduate students and members of professional associations working in the fields of systems sciences public policy and management politics and international relations **Critical Systemic Praxis for Social and Environmental Justice** Janet McIntyre-Mills,2012-12-06 The book develops a practical approach to public policy issues that have continued to be intractable because of a lack of emphasis on transcultural understanding Sustained examples help to increase the readability and the accessibility of theory and methodology The key themes address the issue that Management needs to be more systemic Critical Systemic Praxis is the process whereby we find ways to work across discipline areas and sectoral areas in order to address complex social political

economic and environmental problems The way we define and address problems depends on an ability to work with rather than within knowledge areas By introducing the notion of governance we can extend traditional management from an organisational context to an inter organisational context and locate governance as the goal for sustainable social and environmental justice The core aspects of praxis are Respectful listening and dialogue to set up appropriate contexts for participatory design Participatory designs based on participatory action research to map tacit and explicit knowledge of participants professional and ordinary citizens Strategic decision making across discipline areas cultural contexts and knowledge areas Action learning to transfer the policy and practice learnings Mainstreaming the approach to governance in the social political economic and environmental sectors The book develops a systemic approach to public policy issues Examples are used throughout to exemplify theory The integrated approach to policy and practice is ideally suited to addressing the socio economic and environmental issues
