Our Social World: Condensed Jeanne H. Ballantine, Keith A. Roberts, Kathleen Odell Korgen, 2019-07-09 Our Social World Condensed by Jeanne H. Ballantine, Keith A. Roberts and Kathleen Odell Korgen inspires you to develop your sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis The award winning author team organizes the text around the Social World model a conceptual framework that demonstrates the relationships among individuals the micro level organizations institutions and subcultures the meso level and societies and global structures the macro level The use of the Social World Model across chapters represented in a visual diagram in the chapter openers helps you to develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of discrete subjects The Condensed version is adapted from Our Social World Introduction to Sociology The Sixth Edition of the Condensed version is made approximately 30% shorter than the full edition by removing selected boxes editing the main narrative and combining four chapters into two Family Education and Politics Economics

Sociology Rosemary L. Hopcroft, 2016-01-08 In an era of human genome research environmental challenges new reproductive technologies and more students can benefit from an introductory sociology text that is a biologically informed This innovative text integrates mainstream sociological research in all areas of sociology with a scientifically informed model of an evolved biological human actor This text allows students to better understand their emotional social and institutional worlds It also illustrates how biological understanding naturally enhances the sociological approach This grounding of sociology in a biosocial conception of the individual actor is coupled with a comparative approach as human biology is universal and often reveals itself as variations on themes across human cultures Tables Figures Photos and the author's concise and remarkably lively style make this a truly enjoyable book to read and teach

Sociology Jean Stockard, 2000 SOCIOLOGY DISCOVERING SOCIETY 2nd provides comprehensive coverage of sociology in an affordable paperback format With research studies in every chapter and boxes that portray sociologists at work it will especially appeal to sociology professors who value a quantitative research methodology oriented approach Instead of presenting every

possible theory for each issue Stockard's streamlined approach pulls in theories only when they appropriately relate to the issue at hand This integrated approach produces a text that reads more smoothly than the overly encyclopedic heavily interrupted narratives of other texts
