Horne, 2018-12-03

Conversations with Madeleine L Engle is the first collection of interviews with the beloved children s book author best known for her 1962 Newbery Award winning novel A Wrinkle in Time However Madeleine L Engle s accomplishments as a writer spread far beyond children s literature Beginning her career as a literary novelist for adults L Engle 1918 2007 continued to write fiction for both young and old long after A Wrinkle in Time In her sixties she published personal memoirs and devotional texts that explored her relationship with religion At the time of her death L Engle was mourned by fans of her children s books and the larger Christian community L Engle s books as well as her life were often marked by contradictions A consummate storyteller L Engle carefully crafted and performed a public self image via her interviews Weaving through the documentable facts in these interviews are partial lies misdirections and wish fulfillment fantasies But when read against her fictions these truths can help us see L Engle more deeply what she wanted for herself and for her children what she believed about good and evil and what she thought was the right way and the wrong way to be a family than if she had been able to articulate the truth more directly The thirteen interviews collected here reveal an amazing feat of authorial self fashioning as L Engle transformed from novelist to children s author to Christian writer and attempted to craft a public persona that would speak to each of these different audiences in meaningful yet not painfully revealing ways *The Swiftly Tilting Worlds of Madeleine L'Engle* Luci Shaw, 2013-07-31 In honor of Madeleine L Engle s 80th birthday a host of prominent writers and

academics gather to create this unique collection Madeleine s circle of friends and peers writers poets scholars theologians here provide an intimate portrait of L Engle and respond to her writings and mentoring influence Ranging from the personal to the academic these essays illuminate the many worlds of Madeleine s writings the private the reflective the theological the scientific the mythic and the literary

Meirovich, 2019-11-27 There are no pre-packaged magic bullet solutions to life's anticipated and unforeseen hurdles. Catastrophe to Hope: Five Voices of the Bible underscores the inevitable everyone endures: episodes of suffering and trauma. When this happens, a person can choose to take baby steps to restore some semblance of psychological and spiritual balance. Catastrophe to Hope unveils a blueprint for gradual recovery by looking to five books from the Hebrew Bible for inspiration. Read in light of each other, the books of Lamentations, Ecclesiastes, Esther, Song of Songs, and Ruth forge a path that slowly moves from the shadows into sunlight. If Lamentations and Ecclesiastes have much to say about languishing in pits of agony and anguish, Esther shows how the will to survive can turn the tables on evil that relies on lies. To restore a

measure of equilibrium opens the door to engaging the Song of Songs with its soaring proclamation that love is as fierce as death The journey toward recovery culminates with Ruth s transitioning from trauma to triumph and her stalwart conviction that resilience and hope are vital components of humanity s spiritual DNA Catastrophe to Hope adds several inspirational stories to punctuate its message of mending and healing They include works by Shakespeare Elizabeth Barret Browning Elie Wiesel Cynthia Ozick and the life of Joseph P Kennedy *Pillar of Fire* ,1926 **Discerning Life Transitions** Dwight H. Judy,2010-10-01 Every one of us will experience several major life changes over the course of adulthood Each of these transitions will be marked by external changes such as change of location career changes promotions or job losses plus changes in family circumstances including births marriage and death These transitions are also marked by inner change since most of us readily examine our faith life and relationship with God during such periods This book helps people examine both the outward and the inward dimensions of major life changes This blend of interior examination and attention to practical issues is shown in the questions that set the stage for the discernment process What theme or themes do you bring to this process of discernment What details would be necessary to know in order to discern an outcome What are the financial implications What are the implications for family members or others close to you What information do you need to start gathering **Teach Me How to Prosper** Kynan Bridges,2024-09-10 Move from the Land of Lack to God s Land of Promise The Bible says God has plans to prosper us not to harm us Yet few topics cause as much harm as the topic of prosperity leaving many in the church hurt and confused In this powerful biblically balanced book apostolic leader and pastor Dr Kynan Bridges asks the hard questions about this misunderstood and divisive topic diving into what the Bible truly teaches about prosperity poverty finances and abundance Through piercing Spirit led insight and candid testimonies he helps you lean into God s purpose for prosperity discern between real and false prosperity cooperate with the Spirit of divine increase renounce and overcome poverty in all areas of life experience abundance and the power of blessing prosper in the end times The doorway to your destiny is found on the path to prosperity It s time to step into His supernatural provision advance His kingdom and transform lives
