Marine H SBS Ian Blake, 2016-01-20 Fresh from the 1943 Aegean Campaign explosives expert Sergeant Colin Tiger Tiller of the Royal Marines is selected to undergo covert training in a one man midget submarine fitted with a newly modified specialist weapon Posted to the Far East he enrolls in the Special Boat Section where he set about ruthlessly destroying Japanese supply ships among the crocodile infested mangrove swamps along the Arakan coast raiding enemy held islands and employing his deadly skills on Burma s Irrawaddy River There he receives special orders to use the midget submarine in his most dangerous raid yet Marine H SBS The Burma Offensive based on real operations mounted during World War II recounts the death defying exploits of a group of highly trained individuals pitted against the armed might of the Japanese Empire This is classic military fiction at its best

Marine A SBS Shaun Clarke, 2015-12-20 North Sea 1982 A ruthless terrorist attack on the desperately vulnerable oil fields has left rigs destroyed or hijacked the Prime Minister held to ransom and Great Britain facing economic collapse The world s top security agencies were left stunned and helpless Only one elite fighting force could meet the terrorist threat It was up to Tony Masters and the men of the Royal Marines Special Boat Squadron the legendary SBS to attempt the impossible Their objective to defeat the terrorists rescue the Prime Minister and regain control of the oil fields all while battling against the deadly North Sea This is classic military fiction at its best

Marine E SBS Doug Armstrong, 2015-12-20 As British sovereignty over Hong Kong entered its final years the prime concern of the colonial administration was to effect a smooth transition of power to China But for the Triads whose ruthlessness ensured their supremacy in the colony s thriving underworld it was business as usual Every night crammed with contraband their powerboats continued to run the gauntlet of police and Royal Marine patrols For Sergeant Des Cooper of the Special Boat Squadron a trip to Hong Kong offered a chance to revisit places he had got to know many years earlier He jumped at the opportunity to accompany an anti smuggling patrol but during a search of a vessel he uncovered a cargo far less predictable than the electrical goods that were usually seized Suddenly the spectre of nuclear weapons falling into the hands of terrorists looked menacingly real Cooper and his highly trained team would risk their lives in their bid to crush a plot that threatened not only Hong Kong but the entire globe This is classic military fiction at its best

Marine C SBS David Monnery, 2015-12-20 Summer 1994 the Bahamas an English doctor working at a clinic in the Turks and Caicos Islands suddenly disappeared leaving only one trace a fast fading smell of chloroform in his bedroom A week later in nearby Florida another man was found shot dead in his car apparently the latest in a long line of European tourists murdered on the highways of the Sunshine State US police found one link Cuban gangster and British citizen Fidel Arcilla At once the British government was invited by Washington to put its Caribbean house in order and they in turn called on the Marines of the legendary Special Boat Service Battling South American drug lords Haitian generals Cuban exiles and the Miami underworld these elite soldiers would stop at nothing to achieve their objectives This is classic military fiction at its best

SBS Peter Cave,2015-12-20 In Cold War parlance the British government liked to think of it as a counter intelligence mission To the Russians it would be seen as an act of international piracy In an operation cloaked in secrecy the elite men of the legendary Special Boat Squadron were to go up against the most sophisticated and hi tech surveillance systems the Russian Navy possessed with only some crude hastily built wind powered craft at their disposal Little did they know that things were about to go terribly wrong Marine D SBS Windswept sees the SBS put to the ultimate test with all their tactical prowess and monumental daring required to rescue the situation There would be no second chances as failure could see the volatile Middle East blasted into all out war This is classic military fiction at its best Marine B SBS Ian Blake,2015-12-20 In 1943 Sergeant Tiger Tiller was already a seasoned veteran and a surviving member of the Cockleshell Heroes However his war was far from over as he joined the newly formed detachment of the Special Boat Section led by Captain Magnus Larsen in the islands of the Aegean There they would conduct a perilous piratical war using guns knives and their bare hands to battle the might of the German Wehrmacht Slipping from island to island they would call upon all their resourcefulness courage and daring to defeat the enemy This is classic military fiction at its best **Cry of Eagles** William W. Johnstone,2016-08-30 He walks on his own but trouble follows close behind in this action packed MacCallister Western by the USA Today bestselling author Falcon MacCallister roams the West far from home far from the memories of the peace and beauty of MacCallister s Valley With a destiny as wide and unsure as the open range he is a loner But to those who know him he is a legend In a small New Mexico town two young gunslicks are looking for a reputation eager for a kill desperate for history to write their names in blood In a split second hook and draw one of them will lie dead And once again Falcon MacCallister will be the most wanted man in the West Now from the Arizona border to the shadows of the Dragoon Mountains to the burning trail of Apache rage he must fend off a ruthless posse that has sworn vengeance Because a man like MacCallister knows Between the final prayer and the snap of the rope there s no time for mercy Playing in the Shadows William H. Bridges,2020-02-10 Playing in the Shadows considers the literature engendered by postwar Japanese authors robust cultural exchanges with African Americans and African American literature The Allied Occupation brought an influx of African American soldiers and culture to Japan which catalyzed the writing of black characters into postwar Japanese literature This same influx fostered the creation of organizations such as the Kokujin kenkyu no kai The Japanese Association for Negro Studies and literary endeavors such as the Kokujin bungaku zensh The Complete Anthology of Black Literature This rich milieu sparked Japanese authors Nakagami Kenji and e Kenzabur are two notable examples interest in reading interpreting critiquing and ultimately incorporating the tropes and techniques of African American literature and jazz performance into their own literary works Such incorporation leads to literary works that are black not by virtue of their representations of black characters but due to their investment in the possibility of technically and intertextually black Japanese literature Will Bridges argues that these fictions of race provide visions of the way that postwar Japanese authors reimagine the ascription
