Soldiers and Slaves Roger Cohen, 2005-04-26 In February of 1945 350 American POWs selected because they were Jews thought to resemble Jews or simply by malicious caprice were transported by cattle car to Berga a concentration camp in eastern Germany Here the soldiers were worked to death starved and brutalized more than twenty percent died from this horrific treatment This is one of the last untold stories of World War II and Roger Cohen re creates it in all its blistering detail Ground down by the crumbling Nazi war machine the men prayed for salvation from the Allied troops yet even after their liberation their story was nearly forgotten There was no aggressive prosecution of the commandants of the camp and the POWs received no particular recognition for their sacrifices Cohen tells their story at last in a stirring tale of bravery and depredation that is essential for any reader of World War II history

Given Up For Dead Flint Whitlock, 2009-04-13 In December 1944 the Ardennes Forest on the German Belgium border was considered a quiet zone where new American divisions fresh from the States came to get acclimated to life at the front No one in Allied headquarters knew that the Ardennes had been personally selected by Hitler to be the soft point through which over 250 000 men and hundreds of Panzers would plunge in the Third Reich's last gasp attempt to split the Americans and British armies and perhaps win a negotiated peace in the West When the Germans crashed through American lines during what became known as the Battle of the Bulge in December 1944 thousands of stunned American soldiers who had never before been in combat were taken prisoner Most were sent to prisoner of war camps where their treatment was dictated by the Geneva Convention and the rules of warfare For an unfortunate few mostly Jewish or other ethnic GIs a different fate awaited them Taken first to Stalag 9B at Bad Orb Germany 350 soldiers were singled out for special treatment segregated from their buddies and transported by unheated railroad boxcars with no sanitary facilities on a week long journey to Berga an der Elster a picturesque village 50 miles south of Leipzig Awaiting them at Berga was a sinister slave labor camp bulging with 1 000 inmates The incarceration at Berga is the only known instance of captured American soldiers being turned into slave laborers at a Nazi concentration camp Given Up for Dead is the story of their survival For over three months the American soldiers worked under brutal inhuman conditions building tunnels in a mountainside for the German munitions industry The prisoners had no protective masks or clothing were worked for 12 hours per shift with no food water or rest were beaten regularly for the most minor infractions or none at all were fed only starvation rations slept two to a bed in ghastly lice infested bunks and were never allowed a bath or a change of clothing Of the 350 GIs in the original contingent 70 of them died within the first two months at Berga the others struggled to survive in a living nightmare As the Allies front lines moved inexorably closer to Berga the Nazi guards forced the inmates to endure a death march as a way of keeping them from being liberated many died along the route Only the timely arrival of an American armored division at war's end saved them all from certain death Strangely when the war was over many of the Americans who had survived Berga were required to sign a security certificate which forbade them from ever disclosing the details of their imprisonment at Berga Until recent years what had happened to the American soldiers at Berga has been a closely guarded secret

We Were Each Other's Prisoners Lewis H. Carlson, 1998-06-26 During the Second World War Germany captured nearly 94 000 American soldiers while the

Allies shipped almost 380 000 Germans to the United States *We Were Each Other's Prisoners* compares for the first time ever stories of POWs from both sides of the conflict From the anti Nazi German soldier who tried desperately to turn himself in rather than fight for Hitler to the U S prisoner who thrice escaped his German captors the last time to join Russian troops in the Battle of Berlin to the Jewish American prisoner who was sent to a slave labor camp Culled from more than 150 interviews with 35 American and German surviving POWs the book addresses larger political and psychological issues What does it mean to be a prisoner especially for men whose cultures prize individual heroism Why did conditions differ so dramatically in American and German camps How were these men received upon their return to their homeland How have they coped with the long term effects of incarceration
