Soldiers Of God:

Soldiers of God Matthew Dobson, 2015-03-07 Spiritual battles begin in the mind It s a person s spirit and mind that are closely related and work in tandem with each other Our best defense in spiritual battles is the assurance of salvation in Jesus Christ When a person has a confident belief they re a member of God s army and because they trust Him no other spiritual force can take that away This book has been written for the Christian who s serious about taking control of their life and gaining an advantage over everything evil The first part of the book defines what Spiritual Warfare is why it exists and how long we can expect to do battle The second half of the book explains the seven Rules of Spiritual Warfare and how it can enable a person to recognize and formulate a viable strategy against evil My reason for writing this book is to help guide you through the Spiritual Warfare that you ve been born into

While God is Marching On Steven E. Woodworth, 2001-10-02 They read the same Bible and prayed to the same God but they faced each other in battle with rage in their hearts The Civil War not only pitted brother against brother but also Christian against Christian with soldiers from North and South alike devoutly believing that God was on their side Steven Woodworth one of our most prominent and provocative Civil War historians presents the first detailed study of soldiers religious beliefs and how they influenced the course of that tragic conflict He shows how Christian teaching and practice shaped the worldview of soldiers on both sides how it motivated them for the struggle how it influenced the way they fought and how it shaped national life after the war ended Through the diaries letters and reminiscences of common soldiers Woodworth illuminates religious belief from the home front to the battlefield where thoughts of death and the afterlife were always close at hand Woodworth reveals what these men thought about God and what they believed God thought about the war Wrote one Unionist I believe our cause to be the cause of liberty and light the cause of God and holy and justifiable in His sight and for this reason I fear not to die in it if need be With a familiar echo his Confederate counterpart declared that our Cause is Just and God is Just and we shall finally be successful whether I live to see the time or not Woodworth focuses on mainstream Protestant beliefs and practices shared by the majority of combatants in order to help us better understand soldiers motivations and to realize what a strong role religion played in American life throughout the conflict In addition he provides sharp insights into the relationship between Christianity and both the abolition movement in the North and the institution of slavery in the South Ultimately Woodworth shows us how opposing armies could put their trust in the same God while engaging in four years of organized slaughter and destruction His compelling work provides a rich new perspective on religion in American life and will forever change the way we look at the Civil War

Stand Therefore Adam Armstrong, 2013-08 STAND THEREFORE is a field Guide for Christian soldiers of all ages regardless of military service or length of time as a Christian Scott A Harrison Author uses his time deployed to Operation Desert Storm as a springboard into how to be an effective soldier for Christ During his time in Operation Desert Storm Scott began to see a relationship between that of a soldier in the US Army and a soldier in the Lord s

Army 10 years or so passed and one day while sitting in his office he came across the Soldiers Manual of Common Tasks SMCT which was issued during his time in Basic Training Thumbing through the SMCT he began to write about the relationship between an Army soldier and that of a Christian 3 years later Stand Therefore was completed We are at war This war began in the Garden of Eden and will end on a bloody battlefield in a place called Armageddon The entire Bible is about this war Satan is the enemy and Christ has already won the victory This book is not about Satan s attack on the world in general but rather about his attack on each of us as individual Christians in our role as individual soldiers in God s army The time has come for all Christians to stand and fight not a carnal war with rifles bayonets and hand grenades but a spiritual war In my lifetime I have seen the rapid decline of our great nation War has reached our borders As the United States of America the last great hope for accomplishing Christ s Great Commission Matthew 28 19 20 to evangelize the world falls to the wiles of the devil most Christians stand on the sidelines despairing that anything can be done We are to don the spiritual armor God has given us and fight that souls might be saved Our Great Commander the Lord Jesus Christ died and rose again that we might have life and live a more abundant life The Lord Jesus Christ paid the price for our sin before we realized we needed such a payment and by doing so secured our salvation Christ left with us the Holy Spirit by which we have the strength to stand Having done all to stand stand therefore Ephesians 6 13 14

The Victorious Christian Soldier in Christ's Army Urian Oakes, C. Matthew McMahon, 2020-08-28 What does it mean to be a conqueror in Christ s army In fact the question really is what does it mean to be not only a conqueror but more than a conqueror and good soldier in Christ s ranks Oakes in this wonderful work on answering that question dives deep into Paul s statement in Romans 8 37 Nay in all these things we are more than conquerors through him that loved us The truth proclaimed by Oakes is that there is a more than ordinary triumph over all those enemies that oppose themselves against the progress and advancement of a Christian in his way to the fruition of the sweet fruits of the everlasting love of God in Jesus Christ That all true believers have a transcendent and incomparably glorious conquest and victory in all their severe engagements with the enemies of their peace and happiness through the love of God in Christ Jesus Every true believer is a soldier and engaged in a warfare Every true believer has a constant fighting work before God and there is no end of his war in this world not any time in which he can stop fighting Yet a true believer is never totally and absolutely conquered in any engagement with the enemies that war against him Every true believer manages a successful war and is sure of a conquest A believer s victory and conquest are incomparably glorious Every believer obtains this glorious victory and conquest through the Lord Jesus Christ The love of God in Christ is the absolute first cause of those victorious proceedings and this infallible conquest of believers These believers are the greatest soldiers who have ever lived and are comforted in their fight by the blessings of Almighty God through Christ All believers must know and consider that they are soldiers in Christ s army and have a fighting work a warfare before them until they reach heaven They must as faithful soldiers improve their skill in fighting and harness the

spiritual power of the everlasting Gospel of Jesus for their victory We wait and pray and look and long for that glorious day when our warfare shall be ended and we shall go out of the field victorious and triumphant as absolute conquerors This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions

Man Up with God Brian E. Sherwood, 2023-02-09 Man Up with God Becoming a Special Forces Soldier for Christ What the world needs now more than ever is men filled with their heavenly Father His Son Jesus Christ and the Holy Spirit We are meant to be strong men men of great character and Spirit filled men that rely on God Jesus Christ and the Holy Spirit every minute of every day so that we can live a life that God created us to live as powerful and humble sons of God As you read God's Word the Bible you will find there were many many battles that were waged and those whom were equipped and trained by God and did what God asked them to do were victorious in their battles and then gave God all the praise glory and honor when victory was won Your enemy is not a human but that of Satan Satan and his demons will do their best to get inside of you or infiltrate you anyway they can through disease s in the body through mental illness twisting the truth lying doing anything possible to take away your focus on God This book is about going deeper in your relationship with God and allowing Him to use you as special forces soldier for Christ We are all part of the body of Christ and He needs soldiers to help liberate them from Satan Make sure your life counts The best investment you will ever make is that of becoming a son of God For yourself for your family and all your descendants you will be leaving a lasting legacy

Soldiers of God Robert D. Kaplan, 2001-11-27 First time in paperback with a new Introduction and final chapter World affairs expert and intrepid travel journalist Robert D Kaplan braved the dangers of war ravaged Afghanistan in the 1980s living among the mujahidin the soldiers of god whose unwavering devotion to Islam fueled their mission to oust the formidable Soviet invaders In *Soldiers of God* we follow Kaplan's extraordinary journey and learn how the thwarted Soviet invasion gave rise to the ruthless Taliban and the defining international conflagration of the twenty first century Kaplan returns a decade later and brings to life a lawless frontier What he reveals is astonishing teeming refugee camps on the deeply contentious Pakistan Afghanistan border a war front that combines primitive fighters with the most technologically advanced weapons known to man rigorous Islamic indoctrination academies a land of minefields plagued by drought fierce tribalism insurmountable ethnic and religious divisions an abysmal literacy rate and legions of war orphans who seek stability in military brotherhood Traveling alongside Islamic guerrilla fighters sharing their food observing their piety in the face of deprivation and witnessing their determination Kaplan offers a unique opportunity to increase our understanding of a people and a country that are at the center of world events

God Is a Grunt Logan M Isaac, 2022-04-19 This eye opening

book invites readers of all political and denominational stripes into a more meaningful conversation and community with soldiers and veterans If Jesus is God then God is a grunt the humble hardy folk placed at the bottom of the social hierarchy who are relied on to accomplish the dirtiest most difficult and most thankless work This is good news for millions of Christian soldiers and veterans in the U S because they have had to make an impossible choice with no perceivable middle ground between patriot and pacifist In his new book *God Is a Grunt* Logan Isaac offers an opportunity for GIs veterans and those close to them to read Christian traditions as a soldier would by and through the lived experiences of military service This well researched meditative guide for Christians who have served their country delves deep into the Bible while Isaac shares his own beliefs and thoughts on the life altering experiences of battle He attempts to fill the void most Christians in the military feel by providing theological resources to discern a better way of discipleship for GIs affirming the nuance and complexity of armed service and the gifts GIs extend to Christians around the world **Soldiers of God** Jay D. Johnson M.D. D.Div.,2015-12-18 After receiving baptism in the Holy Spirit in 1988 Ralph began to pray for patients with cancer and other life threatening illnesses Immediate healing occurred without medical intervention including raising of a certified dead man from complete liver and kidney failure to active healthy life As news spread in the medical community patient referrals declined when doctors objected to not having all of their patients receive an orthodox treatment The present book *Thy Kingdom Come Thy Will Be Done* is an autopsy on dying if not dead churches where the miraculous power of the Holy Spirit is not in evidence It presents biblical steps for restoring the sovereignty glory and manifested power of God known as the kingdom of heaven a subject rarely if ever discussed from the pulpits of most churches *Final Light* Jesse James Renobato,2008-03 What is the destiny of mankind God or the devil Heaven or Hell Where does free will end and Godas sovereignty begin Whose side are you on These are the questions that change the lives and destiny of three chosen individuals David after having his memory

stories The book consists of three chapters each of which analyses the respective biblical narratives These narratives show the two parameters by which the Israelite leaders are examined namely their loyalty to God and their altruistic character A leader who prefers his own interest is doomed to his own demise and brings devastation upon his people Judges does not establish a preferred governmental model instead it considers the advantages and disadvantages of the different types of regimes In the epilogue it is suggested that these narratives are conveniently placed in the pre monarchic period when the question of the regime becomes part of the political debate The book of Judges offers criteria for the choice of the right leader
