Soldiers Serving The Nation The Us Army Art Collection:

Soldiers Serving the Nation Gordon R. Sullivan, Marylou G. Jernes, 1996-07-01 A collection of full color paintings sculptures dedicated to the U S Army from the U S Army Art Collection Focuses on the individual soldier his images of faces personalities Divided into four sections the Americas Europe the Pacific Asia Africa the Middle East There is a short narration at the beginning of each section by General Gordon Sullivan

Soldiers Serving the Nation Gordon R. Sullivan, 1995 Soldiers Serving the Nation like its companion volume Portrait of an Army 1991 highlights a representative cross section from the more than 15 000 pieces of military art in the Army Art Collection consisting of paintings drawings sketches watercolors and other media The selected images provide a powerful record of an Army on the move by focusing on the individual Soldier meeting the nation s needs wherever and whenever required The artists have captured that sense of duty and personal commitment in portraits and scenes recording conditions people and things that have shaped the Soldier s life The result is a distilling of experience and emotions of conditions and places and of courage and hard work as rendered in images that move from the particular moment to what has been consistent over time the long tradition of service rooted in the dedication and inner strength of each Soldier

American Women Artists in Wartime, 1776-2010 Paula E. Calvin, Deborah A. Deacon, 2011-09-29 For generations men have left their homes and families to defend their country while their wives mothers and daughters remained safely at home outwardly unaffected A closer examination reveals that women have always been directly impacted by war In the last few years they have actively participated on the front lines This book tells the story of the women who documented the impact of war on their lives through their art It includes works by professional artists and photographers combat artists ordinary women who documented their military experiences and women who worked in a variety of types of needlework Taken together these images explore the female consciousness in wartime

Soldiers , 1979

Congressional Record United States. Congress, 1968

The Campaign of 1812 Steven J. Rauch, 2025-10-02 The War of 1812 emerged from maritime disputes and British aggression leading to flawed U S invasions of Canada The War of 1812 was born out of longstanding tensions between the United States and Great Britain Centered on maritime disputes the war arose from British policies that disregarded U S

sovereignty including the impressment of American sailors into the Royal Navy and restrictions on American trade These provocations coupled with British support for Native American resistance on the western frontier led President James Madison to advocate for military action The book explores the United States ambitious yet flawed strategy of 1812 to invade Canada as a means to counter British aggression Despite initial optimism the U S Army faced significant challenges including insufficient manpower untrained militias logistical failures and inadequate leadership Disjointed campaigns in Detroit Queenston Heights and other key theaters highlighted systemic issues within the War Department and military operations Meanwhile British control of waterways and superior coordination allowed their smaller forces to outmaneuver and frustrate American efforts This fully illustrated volume examines the realities of early 19th century warfare from the fragile logistics of supplying armies to the political tensions shaping military decisions It offers assessment of the challenges faced by the young republic and highlights how early setbacks laid the groundwork for eventual reform and resilience in the war s later stages
