Phelan, Jr.,2000-12 Today we live in an age of information Television radio newspaper magazines and now the Internet inundate the Lord's people with tons of information While there is nothing wrong with healthy information and knowledge much of what we see today is bent upon destroying the foundation of homes families marriages and the faith that was once delivered to the Saints Not only have I observed the damage that this has done in the lives of others I have personally had my faith shaken by Satan's propaganda Day after day being exposed to such information my heart was stirred to raise up a banner not only to teach but to challenge false information and tear down Satan's strongholds The first 14 articles deal with the subject of creation This subject alone has been under constant attack All of the articles are suitable for devotional material They may also be used by parents to teach their children many biblical truths from God's word Each article is short concise simple enough for the child yet deep enough for the theologian **Everyday Prayers for the School Year** Tara L. Cole,2022-08-02 Moms know all too well that God doesn't promise an easy road for us or our kids As much as we'd love to protect them from heartaches it just isn't possible This is especially true during the school year when they are introduced to new teachers new classmates new concepts and maybe even a new school that seems big and frightening Jesus tells us In the world you will have tribulation But take heart I have overcome the world John 16:33 With this reassurance we try to reassure our children that no matter what God is there and He's on their side And we pray In *Everyday Prayers for the School Year* author Tara L Cole offers devotional readings and opportunities for mothers to pray for many issues concerning their children such as Are they making godly friends Are their teachers kind and caring Can they make wise choices in bad situations Will they commit to studying Are they being targeted by bullies If they are unprepared for a test will they trust God or cheat No matter what our kids are facing during the school year we can't go wrong when we pray and teach them to pray too Our prayer is that they ultimately trust Him for their salvation but even after they become Christians they have the daily choice to trust God when they feel like they are standing alone and the circumstances look impossible Tara says My hope for this journal is that it will help moms turn their worry about their children's school year into hope that they take their concerns to God and walk away confident that He loves our kids more than we do And He is in control
