Peoples, 2011-04-07 Empirical research provides the basis for a comprehensive depiction of evangelical Christian men who self identify as sexual addicts *Losing the Bond with God* Sexual Addiction and Evangelical Men offers a humane and constructive understanding of this issue treating it from an objective perspective rather than the Christian perspective that is common to writings on the subject Based on her own qualitative study of self identified evangelical sex addicts the author shows how these men must overcome the compartmentalization of their lives and improve the integration of religion marriage and sexuality if they are to break their destructive patterns The book addresses many of the most dominant issues specific to sexuality within the evangelical movement such as sexual purity gender roles attitudes regarding homosexuality and marriage It begins with a framework for understanding the evangelical movement and its stance on sexual issues and ends with a cumulative summary about evangelical men who self identify as sexual addicts Direct quotes and personal experiences from interviews are woven throughout the study and appendices provide a detailed description of the author's research *Beyond the Battle* Noah Filipiak, 2021-08-10 All men face some degree of temptation or discontentment Here is your guide to get you past frustration into freedom We live in a culture where 55% of married men and 70% of single men

look at porn at least once a month and over half of all marriages end in divorce To understand why that is we have to look beyond the battle to the root of both the problem and the solution Most books for men on how to defeat lust and improve their relationships with the women in their lives preach a plan for trying harder thinking better and battering their behavior into submission The problem with this approach no matter how strong we are today the battle continues tomorrow and nothing ever seems to change in the long run In *Beyond the Battle* author and pastor Noah Filippiak shows you why symptom based behavior management approaches offer short term solutions Instead he unpacks the keys to a gospel centered long term victory helping you win the war against temptation and entitlement *Beyond the Battle* is an accessible effective man to man resource for individual or small group use that will guide you toward freedom from sexual temptations by connecting you more deeply to Jesus to his sacrifice and sufficiency Filippiak addresses deep questions of marriage singleness and sexual temptation like What's really the worst enemy in a man's marriage How are my assumptions about my wife contributing to the problem How does a corrected understanding of God's grace change my outlook on marriage or singleness This book turns typical purity strategies on their head by addressing head on our sense of self entitlement and our self seeking tendencies showing how to look to God instead of to women for intimacy approval acceptance and validation Includes free access to 7 week small group video curriculum plus an option 40 day devotional *Love Busters* Willard F. Harley, 2008-05 This fifteenth anniversary edition helps couples identify and overcome the most common habits that destroy the feeling of love
