Hart, Phillip Leininger, 1995-10-12 For more than half a century James D Hart's *The Oxford Companion to American Literature* has been an unparalleled guide to America's literary culture providing one of the finest resources to this country's rich history of great writers Now this acclaimed work has been completely revised and updated to reflect current developments in the world of American letters For the sixth edition editors James D Hart and Phillip Leininger have updated the Companion in light of what has happened in American literature since 1982 To this end they have revised the entries on such established authors as Saul Bellow Norman Mailer and Joyce Carol Oates and they have added more than 180 new entries on novelists T Coraghessan Boyle Tim O'Brien Louise Erdrich Don De Lillo poets Rita Dove Weldon Kees playwrights Wendy Wasserstein August Wilson popular writers Stephen King Louis L Amour historians James M McPherson David Herbert Donald William Manchester naturalists Aldo Leopold Edward Abbey and literary critics Camille Paglia Richard Ellmann In addition the Companion boasts more women's African American and ethnic voices with new entries on such luminaries as Charlotte Perkins Gilman M F K Fisher William Least Heat Moon Ursula Le Guin and Oscar Hijuelos among many others These additions represent only some of the revisions for the new edition Of course the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever With over 5 000 total entries *The Oxford Companion to American Literature* reflects a dynamic balance between past and contemporary literature surveying

Richard Brautigan's Trout Fishing in America, The Pill versus the Springhill Mine Disaster, and In Watermelon Sugar Richard Brautigan,1989-03-01 Collected in one volume three counterculture classics that embody the spirit of the 1960s Included here are three great works by the incomparable Richard Brautigan Trout Fishing in America is by turns a hilarious playful and melancholy novel that wanders from San Francisco through the country s rural waterways a book that has very little to do with trout fishing and a lot to do with the lamenting of a passing pastoral America An instant cult classic Financial Times The Pill Versus the Springhill Mine Disaster is a collection of nearly one hundred poems first published in 1968 And In Watermelon Sugar expresses the mood of a new generation revealing death as a place where people travel the length of their dreams rejecting violence and hate During his lifetime Look magazine observed Brautigan is joining Hesse Golding Salinger and Vonnegut as a literary magus to the literate young A uniquely imaginative writer of the Beat movement who became an icon of the hippie era he is still a favorite of readers today

Trout Fishing in America Richard Brautigan,2010-01-19 A book that has very little to do with trout fishing and a lot to do with the lamenting of a passing pastoral America an instant cult classic Financial Times Richard Brautigan was a literary idol of the 1960s and 70s who came of age during the heyday of Haight Ashbury and whose comic genius and iconoclastic vision of American life caught the imaginations of young people everywhere Called the last of the Beats his early books became required reading for the hip generation and on its publication Trout Fishing in America became an international bestseller An indescribable romp the novel is best summed up in one word mayonnaise This new edition features an introduction by poet Billy Collins who first encountered Brautigan s work as a student in California From the introduction Trout Fishing in America is a catchphrase that morphs throughout the book into a variety of conceptual and dramatic shapes At one point it has a physical body that bears such a resemblance to that of Lord Byron that it is brought by ship from Missolonghi to England in 1824 where it is autopsied Trout Fishing in America is also a slogan that sixth graders enjoy writing on the backs of first graders In one notable exhibition of the title s variability Trout Fishing in America turns

into a gourmet with a taste for walnut catsup and has Maria Callas for a girlfriend Through such ironic play Brautigan destabilizes any conventional idea of a book as he begins to create a world where things seem unwilling to stay in their customary places Solar Flares Andrew M. Butler, 2012 The politics of science fiction books films and television in the 1970s **The Concise Oxford Companion to American Literature** James D. Hart, Wendy Martin, Danielle Hinrichs, 2021-01-21 For nearly half a century James D Hart's Oxford Companion to American Literature has offered a matchless guided tour through American literary culture both past and present with brief biographies of important authors descriptions of important literary movements and a wealth of information on other aspects of American literary life and history from the Colonial period to the present day In this second edition of the Concise version Wendy Martin and Danielle Hinrichs bring the work up to date to more fully reflect the diversity of the subject Their priorities have been foremost to fully represent the impact of writers of color and women writers on the field of American literature and to increase the usefulness of the work to students of literary theory To this end over 230 new entries have been added including many that cover women authors Native American African American Asian American Latino and other contemporary ethnic literatures LGBT trans and queer studies and recent literary movements and evolving areas of contemporary relevance such as eco criticism disability studies whiteness studies male masculinity studies and diaspora studies **Richard Brautigan's A Confederate General from Big Sur, Dreaming of Babylon, and The Hawkline Monster** Richard Brautigan, 1991 Three books in the manner of their original editions **Revenge of the Lawn, The Abortion, and So the Wind Won't Blow It All Away** Richard Brautigan, 1995-02-21 Three masterpieces by the counterculture's Mark Twain collected in one volume including the lost chapters of Trout Fishing in America The New York Times Book Review An author who began his career handing out his work on the streets of San Francisco and went on to become an underground icon of the 1960s and 70s before his tragic suicide Richard Brautigan gained a unique literary reputation for such works as In Watermelon Sugar as well as for his gentle spirit satirical wit and whimsical elliptical style This volume includes three of his most prominent works Revenge of the Lawn Originally published in 1971 these bizarre flashes of insight and humor cover everything from A High Building in Singapore to the Perfect California Day This is Brautigan's only collection of stories and includes The Lost Chapters of Trout Fishing in America The Abortion An Historical Romance 1966 A public library in California where none of the books have ever been published is full of romantic possibilities But when the librarian and his girlfriend must travel to Tijuana they have a series of strange encounters in Brautigan's 1971 novel So the Wind Won't Blow It All Away It is 1979 and a man is recalling the events of his twelfth summer when he bought bullets for his gun instead of a hamburger Written just before his death and published in 1982 this novel foreshadowed Brautigan's suicide It's very hard to label his work Fairytale meets beat meets counterculture Surrealism meets folk meets scat The writing is bursting with colour humour and imagery mental flights of fancy crazed and lurid details The more you read the less there seem to be regulations and governing forces

R. John Williams,2014-06-24 The writers and artists described in this book are joined by a desire to embrace Eastern aesthetics as a means of redeeming Western technoculture The assumption they all share is that at the core of modern Western culture there lies an originary and all encompassing philosophical error and that Asian art offers a way out of that awful matrix That desire this book attempts to demonstrate has informed Anglo and even Asian American debates about technology and art since the late nineteenth century and continues to skew our responses to our own technocultural environment **Research Guide to American Literature** John Cusatis,2010 Covers American literature during the postwar period

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1977 The Global Remapping of American Literature Paul Giles,2018-06-12 This book charts how the cartographies of American literature as an institutional category have varied radically across different times and places Arguing that American literature was consolidated as a distinctively nationalist entity only in the wake of the U S Civil War Paul Giles identifies this formation as extending until the beginning of the Reagan presidency in 1981 He contrasts this with the more amorphous boundaries of American culture in the eighteenth century and with ways in which conditions of globalization at the turn of the twenty first century have reconfigured the parameters of the subject In light of these fluctuating conceptions of space Giles suggests new ways of understanding the shifting territory of American literary history ranging from Cotton Mather to David Foster Wallace and from Henry Wadsworth Longfellow to Zora Neale Hurston Giles considers why European medievalism and Native American prehistory were crucial to classic nineteenth century authors such as Emerson Hawthorne and Melville He discusses how twentieth century technological innovations such as air travel affected representations of the national domain in the texts of F Scott Fitzgerald and Gertrude Stein And he analyzes how regional projections of the South and the Pacific Northwest helped to shape the work of writers such as William Gilmore Simms Jos Mart Elizabeth Bishop and William Gibson Bringing together literary analysis political history and cultural geography The Global Remapping of American Literature reorients the subject for the transnational era
